Date of Survey: 12/01/2008 Event ID#: 4CID11

80
TOTAL SCORE

90 – 100
ACCEPTABLE

A **score of 90 to 100** indicates that the facility is generally well operated but may have one or more problems that must be corrected. **A report with this score has a green border.**

80 - 89
CAUTION

A **score of 80 to 89** indicates that the facility has some significant problems that need correction but it does not have safety or patient care problems that pose an immediate threat to residents. **A report with this score has a yellow border.**

LESS THAN 80
REFERRED FOR
ENFORCEMENT
ACTION

A **score of LESS THAN 80 IS A FAILED SCORE** and indicates that the facility has significant problems that have resulted in a referral of the facility for enforcement action. A report with this score has a red border.
