{A 008} SS=D	429.26() FS; 58A-5.0181(2) FAC Admissions - Health Assessment 429.26 (4) If possible, each resident shall have been examined by a licensed physician, a licensed physician assistant, or a licensed nurse practitioner within 60 days before admission to the facility. The signed and completed medical examination report shall be submitted to the owner or administrator of the facility who shall use the information contained therein to assist in the determination of the appropriateness of the resident's admission and continued stay in the facility. The medical examination report shall become a permanent part of the record of the resident at the facility and shall be made available to the agency during inspection or upon request. An assessment that has been completed through the Comprehensive Assessment and Review for Long-Term Care Services (CARES) Program fulfills the requirements for a medical examination under this subsection and s. 429.07(3)(b)6. (5) Except as provided in s. 429.07, if a medical examination has not been completed within 60 days before the admission of the resident to the facility, a licensed physician, licensed physician assistant, or licensed nurse practitioner shall examine the resident and complete a medical examination form provided by the agency within 30 days following the admission to the facility to enable the facility owner or administrator to determine the appropriateness of the admission. The medical examination form shall become a	{A 008}

(6) Any resident accepted in a facility and placed by the department or the Department of Children and Families shall have been examined by medical personnel within 30 days before placement in the facility. The examination shall include an assessment of the appropriateness of placement in a facility. The findings of this examination shall be recorded on the examination form provided by the agency. The completed form shall accompany the resident and shall be submitted to the facility owner or administrator. Additionally, in the case of a mental health resident, the Department of Children and Families must provide documentation that the individual has been assessed by a psychiatrist, clinical psychologist, clinical social worker, or nurse, or an individual who is supervised by one of these professionals, and determined to be appropriate to reside in an assisted living facility. The documentation must be in the facility within 30 days after the mental health resident has been admitted to the facility. An evaluation completed upon discharge from a state mental hospital meets the requirements of this subsection related to appropriateness for placement as a mental health resident providing it was completed within 90 days prior to admission to the facility. The applicable department shall provide to the facility administrator any information about the resident that would help the administrator meet his or her responsibilities under subsection (1). Further, department personnel shall explain to the facility operator any special needs of the resident and advise the operator whom to call should problems arise. The	{A 008}
