Only on-the-job staff may be counted in meeting the minimum staffing hours. Vacant positions or absent staff may not be counted. (b) Notwithstanding the minimum staffing requirements specified in paragraph (a), all facilities, including those composed of apartments, must have enough qualified staff to provide resident supervision, and to provide or arrange for resident services in accordance with the residents' scheduled and unscheduled service needs, resident contracts, and resident care standards as described in rule 59A-36.007, F.A.C. (c) The facility must maintain a written work schedule that reflects its 24-hour staffing pattern for a given time period. Upon request, the facility must make the daily work schedules of direct care staff available to residents or their representatives. (d) The facility must provide staff immediately when the agency determines that the requirements of paragraph (a) are not met. The facility must immediately increase staff above the minimum levels established in paragraph (a), if the agency determines that adequate supervision and care are not being provided to residents, resident care standards described in rule 59A-36.007, F.A.C., are not being met, or that the facility is failing to meet the terms of residents' contracts. The agency will consult with the facility administrator and residents regarding any determination that additional staff is required. A 079	Continued From page 3 fire safety standards described in rule chapter 69A-40, F.A.C., until such time as the local fire safety authority informs the agency that fire safety requirements are being met. 1. When additional staff is required above the minimum, the agency will require the submission of a corrective action plan within the time specified in the notification indicating how the increased staffing is to be achieved to meet resident service needs. The plan will be reviewed by the agency to determine if it sufficiently increases the staffing levels to meet resident needs. 2. When the facility can demonstrate to the agency that resident needs are being met, or that resident needs can be met without increased staffing, the agency may modify staffing requirements for the facility and the facility will no longer be required to maintain a plan with the agency. (e) Facilities that are co-located with a nursing home may use shared staffing provided that staff hours are only counted once for the purpose of meeting either assisted living facility or nursing home minimum staffing ratios. (f) Facilities holding a limited mental health, extended congregate care, or limited nursing services license must also comply with the staffing requirements of rules 59A-36.020, 59A-36.021 or 59A-36.022, F.A.C., respectively. This Statute or Rule is not met as evidenced by: Based on observation, record review and interview, the facility failed to have an accurate staffing schedule. The facility failed to maintain the minimum staff hours per week of 168 for four residents and one day care participant.	A 079
