A 000	Initial Comments An unannounced biennial licensure survey was conducted at Summer's Landing assisted living in Lynn Haven, FL on /2019. Deficient practice was identified at the time of the survey.	A 000		
A 078 SS=D	59A-36.010(2) FAC Staffing Standards - Staff (2) STAFF. (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable . The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of testing materials satisfies the annual examination requirement. An individual with a positive test must submit a health care provider's statement that the individual does not constitute a risk of 2. If any staff member has, or is suspected of having, a communicable , such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable (b) Staff must be qualified to perform their	A 078

A 078	Continued From page 1 assigned duties consistent with their level of education, training, preparation, and experience. Staff providing services requiring licensing or certification must be appropriately licensed or certified. All staff must exercise their responsibilities, consistent with their qualifications, to observe residents, to document observations on the appropriate resident's record, and to report the observations to the resident's health care provider in accordance with this rule chapter. (c) All staff must comply with the training requirements of rule 59A-36.011, F.A.C. (d) An assisted living facility to provide services to residents must ensure that individuals providing services are qualified to perform their assigned duties in accordance with this rule chapter. The contract between the facility and the staffing agency or contractor must specifically describe the services the staffing agency or contractor will provide to residents. (e) For facilities with a licensed capacity of 17 or more residents, the facility must: 1. Develop a written job description for each staff position and provide a copy of the job description to each staff member; and, 2. Maintain time sheets for all staff. (f) Level 2 background screening must be conducted for staff, including staff by the facility to provide services to residents, pursuant to sections 408.809 and 429.174, F.S. This Statute or Rule is not met as evidenced by: Based on record review and staff interview the facility failed to ensure each employee had a written statement from a health care provider documenting freedom from communicable within 30 days after beginning employment for 1 of 3 sampled employees. (employee C resident assistant)	A 078

A 078	Continued From page 2 The findings include: Review of employee C's file revealed a hire date of for the position of resident assistant. The file contained a written statement dated for freedom for communicable signed by employee D (licensed practical nurse). Health care provider is defined as a physician or physician's assistant licensed under chapter 458 or 459, F.S., or advanced registered nurse practitioner licensed under chapter 464, F.S. An interview was conducted with the Administrator on at 11:07 AM. The Administrator stated she was not aware the facility must have a physician assistant, nurse practitioner, or physician sign the communicable statement. The previous physician was completing them and this time they had the licensed practical nurse complete the statements. Class III	A 078
