A 078	Continued From page 1 (b) Staff must be qualified to perform their assigned duties consistent with their level of education, training, preparation, and experience. Staff providing services requiring licensing or certification must be appropriately licensed or certified. All staff must exercise their responsibilities, consistent with their qualifications, to observe residents, to document observations on the appropriate resident's record, and to report the observations to the resident's health care provider in accordance with this rule chapter. (c) All staff must comply with the training requirements of rule 59A-36.011, F.A.C. (d) An assisted living facility to provide services to residents must ensure that individuals providing services are qualified to perform their assigned duties in accordance with this rule chapter. The contract between the facility and the staffing agency or contractor must specifically describe the services the staffing agency or contractor will provide to residents. (e) For facilities with a licensed capacity of 17 or more residents, the facility must: 1. Develop a written job description for each staff position and provide a copy of the job description to each staff member; and, 2. Maintain time sheets for all staff. (f) Level 2 background screening must be conducted for staff, including staff by the facility to provide services to residents, pursuant to sections 408.809 and 429.174, F.S. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure evidence of a negative examination documented on an annual basis for 1 of 3 reviewed staff members (Staff B). AE206	Continued From page 3 5. Special diets, 6. Ancillary services, 7. The provision of other services such as transportation and supportive services; and, 8. The manner of service provision, and identification of service providers, including family and friends, in keeping with resident preferences. (c) Pursuant to the definitions of "shared responsibility" and "managed risk" as provided in section 429.02, F.S., the service plan must be developed and agreed upon by the resident or the resident's representative or designee, surrogate, guardian, or attorney-in-fact, and must reflect the responsibility and right of the resident to consider options and assume risks when making choices pertaining to the resident's service needs and preferences. (d) The service plan must be reviewed and updated quarterly to reflect any changes in the manner of service provision, accommodate any changes in the resident's physical or mental status, or pursuant to recommendations for modifications in the resident's care as documented in the nursing assessment. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to update the extended congregate care service plans on a quarterly basis for 3 of 3 sampled residents (Resident #2, Resident #10, and Resident #16) out of 9 total residents receiving extended congregate care services. Findings: A record review revealed the extended congregate care service plans were updated on _____ for Resident #2 (admitted on _____), Resident #10 (admitted on _____) and Resident #16 (admitted on _____)	AE206
