A 056	Continued From page 59 Findings: 1. During the medication review on _____ at 2 PM for resident #1 noted a plastic bag that contained a _____ FlexTouch and a _____ without the original prescription label that were intended for resident #1. The plastic bag had a pharmacy label dated _____ that indicated _____ FlexTouch 12 Units in AM and 8 units in PM. The administrator said on _____ at 2 PM that she had the original prescription labeled boxed separate from the pens being used. She did not know the _____ needed to be kept in the original box. The continued medication review revealed a prescription label dated _____ indicated _____ 4 Units before breakfast and dinner. A prescription label dated _____ indicated _____ use as directed per _____, up to 24 Unit daily. Physician's orders were requested to confirm the resident's latest and accurate order. The administrator said that she followed the Medication Observation Record (MOR) because it was generated by the pharmacy and they received the orders. Resident record review revealed that healthcare provider's order for the change in the use of the _____ was not available, nor was an order for the _____ used until the Agency representative requested a clarification of the order. An alert label that directed the staff to follow the MOR was not available either.	A 056
