{A 162}	Continued From page 3 departure from the facility. (r) Additional resident records requirements for facilities holding a limited mental health, extended congregate care, or limited nursing services license are provided in rules 59A-36.020, 59A-36.021 and 59A-36.022, F.A.C., respectively. This Statute or Rule is not met as evidenced by: Based on record review and interview the facility failed to have an accurate and complete health assessment for one out of six residents (Resident #2). Findings Included: Review of resident #2's health assessment dated showed a copy of page 2 and no other pages noted. In an interview with the facility owner on at 12:55 pm, she stated that resident #2 was examined by a physician on or about and that the physician only provided a copy of the health assessment's page 2 and no other pages in this assessment. She stated that it was likely that the physician who examined the resident in did not provide a completed health assessment form to the facility because this physician was not resident #2's primary care physician, but she was not certain of this. She stated that the facility did not make efforts to seek a complete health assessment for resident #2. Class III Uncorrected	{A 162}
