"Photographic evidence obtained". On at 11:30 AM, an interview with Administrator confirmed the finding. Class III	A 008		
A 010 SS=D	429.26(... &9) FS; 59A-36.006(4) FAC Admissions - Continued Residency 429.26 (1) The owner or administrator of a facility is responsible for determining the appropriateness of admission of an individual to the facility and for determining the continued appropriateness of residence of an individual in the facility. A determination shall be based upon an assessment of the strengths, needs, and preferences of the resident, the care and services offered or arranged for by the facility in accordance with facility policy, and any limitations in law or rule related to admission criteria or continued residency for the type of license held by the facility under this part. A resident may not be moved from one facility to another without consultation with and agreement from the resident or, if applicable, the resident's representative or designee or the resident's family, guardian, surrogate, or attorney in fact. In the case of a resident who has been placed by the department or the Department of Children and Families, the administrator must notify the	A 010

A 056 SS=D	59A-36.008(7) FAC Medication - Labeling and Orders (7) MEDICATION LABELING AND ORDERS. (a) The facility may not store prescription drugs for self-administration, assistance with self-administration, or administration unless they are properly labeled and dispensed in accordance with chapters 465 and 499, F.S., and rule 64B16-28.108, F.A.C. If a customized patient medication package is prepared for a resident, and separated into individual medicinal drug containers, then the following information must be recorded on each individual container: 1. The resident's name; and, 2. The identification of each medicinal drug in the container. (b) Except with respect to the use of pill organizers as described in subsection (2), no individual other than a pharmacist may transfer medications from one storage container to another. (c) If the directions for use are "as needed" or "as directed," the health care provider must be contacted and requested to provide revised instructions. For an "as needed" prescription, the circumstances under which it would be appropriate for the resident to request the medication and any limitations must be specified; for example, "as needed for . . . , not to exceed 4 tablets per day." The revised instructions, including the date they were obtained from the health care provider and the signature of the staff who obtained them, must be noted in the medication record, or a revised label must be obtained from the pharmacist.
