A 000	Initial Comments A re-licensure survey including Limit Nursing Services (LNS) was conducted at Brookdale Dr Phillips AL Assisted Living Facility on . Deficiencies were identified at the time of survey.	A 000		
A 008 SS=D	429.26() FS; 59A-36.006(2) FAC Admissions - Health Assessment 429.26 (4) If possible, each resident shall have been examined by a licensed physician, a licensed physician assistant, or a licensed nurse practitioner within 60 days before admission to the facility. The signed and completed medical examination report shall be submitted to the owner or administrator of the facility who shall use the information contained therein to assist in the determination of the appropriateness of the resident's admission and continued stay in the facility. The medical examination report shall become a permanent part of the record of the resident at the facility and shall be made available to the agency during inspection or upon request. An assessment that has been completed through the Comprehensive Assessment and Review for Long-Term Care Services (CARES) Program fulfills the requirements for a medical examination under this subsection and s. 429.07(3)(b)6. (5) Except as provided in s. 429.07, if a medical examination has not been completed within 60 days before the admission of the resident to the facility, a licensed physician, licensed physician assistant, or licensed nurse practitioner shall examine the resident and complete a medical examination form provided by the agency within 30 days following the admission to the facility to enable the facility owner or administrator to determine the appropriateness of the admission. The medical examination form shall become a	A 008

(6) Any resident accepted in a facility and placed by the department or the Department of Children and Families shall have been examined by medical personnel within 30 days before placement in the facility. The examination shall include an assessment of the appropriateness of placement in a facility. The findings of this examination shall be recorded on the examination form provided by the agency. The completed form shall accompany the resident and shall be submitted to the facility owner or administrator. Additionally, in the case of a mental health resident, the Department of Children and Families must provide documentation that the individual has been assessed by a psychiatrist, clinical psychologist, clinical social worker, or nurse, or an individual who is supervised by one of these professionals, and determined to be appropriate to reside in an assisted living facility. The documentation must be in the facility within 30 days after the mental health resident has been admitted to the facility. An evaluation completed upon discharge from a state mental hospital meets the requirements of this subsection related to appropriateness for placement as a mental health resident providing it was completed within 90 days prior to admission to the facility. The applicable department shall provide to the facility administrator any information about the resident that would help the administrator meet his or her responsibilities under subsection (1). Further, department personnel shall explain to the facility operator any special needs of the resident and advise the operator whom to call should problems arise. The	A 008

(a) Any unlicensed person providing assistance with self-administration of medication must be 18 years of age or older, trained to assist with self administered medication pursuant to the training requirements of rule 59A-36.011, F.A.C., and must be available to assist residents with self-administered medications in accordance with procedures described in section 429.256, F.S. and this rule. (b) In addition to the specifications of section 429.256(3), F.S., assistance with self-administration of medication includes, in the presence of the resident, reading the medication label aloud and verbally prompting a resident to take medications as prescribed. (c) In order to facilitate assistance with self-administration, trained staff may prepare and make available such items as water, juice, cups, and spoons. Trained staff may also return unused doses to the medication container. Medication, which appears to have been contaminated, must not be returned to the container. (d) Trained staff must observe the resident take the medication. Any concerns about the resident's reaction to the medication or suspected noncompliance must be reported to the resident's health care provider and documented in the resident's record. (e) When a resident who receives assistance with medication is away from the facility and from facility staff, the following options are available to enable the resident to take medication as prescribed: 1. The health care provider may prescribe a medication schedule that coincides with the resident's presence in the facility, 2. The medication container may be given to the	A 052

A 052	Continued From page 16 resident #5 at 11:53 a.m. on _____ revealed that unlicensed caregiver B washed her _____ She went to a refrigerator that was secured inside a medication room and she removed a bubble med pack. She returned to the med cart then she pushed and parked it in front of the resident's room. She compared the prescription label to the Medication Observation Record (MOR) then, while standing at the cart, she popped one pill into a cup. She placed the package into the cart then she took only the pill to the resident in her room and said aloud "I have your probiotic here." The resident took the pill without help. The caregiver observed the resident take it then she returned to the cart and signed the MOR. Caregiver B did not take the medication, in its previously dispensed, properly labeled container, from where it was stored, and bring it to the resident. She did not, in the presence of the resident, read the label aloud and prepare the medication. Caregiver B confirmed the findings immediately following the medication pass. Resident #5's current 1823 health assessment form, dated _____, indicated that she requires assistance with self-administration of medications. Class III	A 052

(c) The written policies and procedures must be readily available for inspection by each resident; each resident's legal representative, designee, surrogate, guardian, attorney in fact, or case manager; each resident's estate; and such additional parties as authorized in writing or by law. (6) REVOCATION OF LICENSE, FINES OR SANCTIONS. For a violation of any part of this rule, the Agency for Health Care Administration may seek any remedy authorized by chapter 429, part I, or chapter 408, part II, F.S., including, but not limited to, license revocation, license suspension, and the imposition of administrative fines. (7) COMPREHENSIVE EMERGENCY MANAGEMENT PLAN. (a) Assisted living facilities whose comprehensive emergency management plan is to evacuate must comply with this rule. (b) Each facility whose plan has been approved shall submit the plan as an addendum with any future submissions for approval of its comprehensive emergency management plan. (8) NOTIFICATION. (a) Within five (5) business days, each assisted living facility must notify in writing, unless permission for electronic communication has	A 200

A 200	Continued From page 29 been granted, each resident and the resident's legal representative: 1. Upon submission of the plan to the local emergency management agency that the plan has been submitted for review and approval; 2. Upon final implementation of the plan by the assisted living facility. (b) Each assisted living facility must maintain a copy of each notification set forth in paragraph (a) above in a manner that makes each notification readily available at the licensee's physical address for review by a legally authorized entity. If the notifications are maintained in an electronic format, facility staff must be readily available to access and produce the notifications. For purposes of this section, "readily available" means the ability to immediately produce the notifications, either in electronic or paper format, upon request. This Statute or Rule is not met as evidenced by: Based on review of the facility health finder.gov and interview, the facility did not within five (5) business days, notify in writing, each resident and the resident's legal representative upon submission of the emergency power plan to the local emergency management agency that the plan had been submitted for review and approval and the final implementation of the plan. Findings: Review of the facility health finder.gov website revealed the facility reported to the agency that their emergency power plan was approved on _____ and their plan's implementation date was noted as _____. On _____ at 11:45 AM, the administrator said the facility had not provided a letter to the	A 200

CZ814	Continued From page 31 This Statute or Rule is not met as evidenced by: Based on the agency for health care administrations (agency's) background screening website, personnel record review and interview, the facility did not initiate and maintain the employment status of all employees within the clearinghouse within 10 business days. Findings: Personnel record review for staff A hired and staff C hired Review of the agency's background screening website revealed staff A had an eligible screening dated and staff C had a eligible screening dated, further review of the background screening website revealed staff A and staff C were not added to the facility's clearinghouse employee roster until the day of the survey, which is more than 10 business days from the date of hire. On at 1:30 PM, the associate executive director confirmed the findings. Unclassified	CZ814
