A 003	Continued From page 1 facility.-It is the intent of the Legislature to protect the rights of the residents of an assisted living facility when the facility is sold or the ownership thereof is transferred. Therefore, in addition to the requirements of part II of chapter 408, whenever a facility is sold or the ownership thereof is transferred, including leasing: (1) The transferee shall notify the residents, in writing, of the change of ownership within 7 days after receipt of the new license. This Statute or Rule is not met as evidenced by: Based on facility record reviews and interview, the facility failed to notify the residents, in writing, of a change of ownership (CHOW) within 7 days after receipt of the new license. Findings: Review of a health care licensing application, dated _____, revealed the facility applied for a CHOW with a proposed effective date of _____. Review of the facility's provisional license revealed its CHOW was effective on _____. At 12:15 p.m. on _____ a request was made to review the written notification provided to each resident of the CHOW. However, the letter provided by the administrator revealed the notification was dated _____ and it indicated that "the community has not been sold" but rather was a written notification of just a change in management. At 12:45 p.m. on _____ the administrator confirmed the findings. Class	A 003

A 010 SS=D	429.26(&9) FS; 59A-36.006(4) FAC Admissions - Continued Residency 429.26 (1) The owner or administrator of a facility is responsible for determining the appropriateness of admission of an individual to the facility and for determining the continued appropriateness of residence of an individual in the facility. A determination shall be based upon an assessment of the strengths, needs, and preferences of the resident, the care and services offered or arranged for by the facility in accordance with facility policy, and any limitations in law or rule related to admission criteria or continued residency for the type of license held by the facility under this part. A resident may not be moved from one facility to another without consultation with and agreement from the resident or, if applicable, the resident's representative or designee or the resident's family, guardian, surrogate, or attorney in fact. In the case of a resident who has been placed by the department or the Department of Children and Families, the administrator must notify the appropriate contact person in the applicable department. (2) A physician, physician assistant, or nurse practitioner who is employed by an assisted living facility to provide an initial examination for admission purposes may not have financial interest in the facility. (9) A , ill resident who no longer meets the criteria for continued residency may remain in the facility if the arrangement is mutually agreeable to the resident and the facility; additional care is rendered through a licensed hospice, and the resident is under the care of a physician who agrees that the physical needs of the resident are being met. A 010	Continued From page 3 59A-36.006 (4) CONTINUED RESIDENCY. Except as follows in paragraphs (a) through (c) of this subsection, criteria for continued residency in any licensed facility must be the same as the criteria for admission. As part of the continued residency criteria, a resident must have a -to- medical examination by a health care provider at least every 3 years after the initial assessment, or after a significant change, whichever comes first. A significant change is defined in rule 59A-36.002, F.A.C. The results of the examination must be recorded on AHCA Form 1823, which is incorporated by reference in paragraph (2)(b) of this rule and must be completed in accordance with that paragraph. Exceptions to the requirement to meet the criteria for continued residency are: (a) The resident may be bedridden for no more than 7 consecutive days. (b) A resident requiring care of a _____, _____ may be retained provided that: 1. The resident contracts directly with a licensed home health agency or a nurse to provide care, or the facility has a limited nursing services license and services are provided pursuant to a plan of care issued by a health care provider, 2. The condition is documented in the resident's record; and, 3. If the resident's condition fails to improve within 30 days, as documented by a health care provider, the resident must be discharged from the facility. (c) A _____, _____, ill resident who no longer meets the criteria for continued residency may continue to reside in the facility if the following conditions are met: 1. The resident qualifies for, is admitted to, and	A 010

Medications may be separately prescribed and dispensed in an easier to use form, such as unit dose packaging. (f) Assistance with self-administration of medication does not include the activities detailed in section 429.256(4), F.S. 1. As used in section 429.256(4)(g), F.S., the term "competent resident" means that the resident is cognizant of when a medication is required and understands the purpose for taking the medication. 2. As used in section 429.256(4)(h), F.S., the terms "judgment" and "discretion" mean interpreting vital signs and evaluating or assessing a resident's condition. (g) All trained staff must adhere to the facility's control policy and procedures when assisting with the self-administration of medication. This Statute or Rule is not met as evidenced by: Based on observations, record reviews and interview, the facility failed to ensure the unlicensed staff (B) who assisted a resident (#1) with self-administration of medications followed the correct procedures. Findings: Observations made during a medication pass for resident #1 at 6 a.m. on _____ revealed that unlicensed caregiver B unlocked the medication cart, removed a _____ patch from its box, then placed the box _____ into the cart. She removed the patch from its package, documented the date, time and her initials on the patch, then	A 052

(n) The facility's resident elopement response policies and procedures. (o) The facility's documented resident elopement response drills. (p) For facilities licensed as limited mental health, extended congregate care, or limited nursing services, records required as stated in rules 59A-36.020, 59A-36.021 and 59A-36.022, F.A.C., respectively. This Statute or Rule is not met as evidenced by: Based on facility record reviews and interview, the facility failed to obtain a fire safety inspection issued by the local authority or the State Fire Marshal and sanitation inspection reports issued by the county health department upon a change of ownership (CHOW.) Findings: Review of a health care licensing application, dated _____, revealed the facility applied for a CHOW with a proposed effective date of _____. Review of the facility's provisional license revealed its CHOW was effective on _____. Review of the facility's inspection reports revealed that the most recent fire inspection was conducted on _____ and the most recent food inspection on _____. However, both inspections were completed prior to the CHOW.	A 160

A 200 SS=D	59A-36.025 FAC Emergency Environmental Control 59A-36.025 Emergency Environmental Control for Assisted Living Facilities. (1) DETAILED EMERGENCY ENVIRONMENTAL CONTROL PLAN. Each assisted living facility shall prepare a detailed plan ("plan") to serve as a supplement to its Comprehensive Emergency Management Plan, to address emergency environmental control in the event of the loss of primary electrical power in that assisted living facility which includes the following information: (a) The acquisition of a sufficient alternate power source such as a generator(s), maintained at the assisted living facility, to ensure that current licensees of assisted living facilities will be equipped to ensure _____ air temperatures will be maintained at or below 81 degrees Fahrenheit for a minimum of ninety-six (96) hours in the event of the loss of primary electrical power. 1. The required temperature must be maintained in an area or areas, determined by the assisted living facility, of sufficient size to maintain residents safely at all times and that is appropriate for resident care needs and life safety requirements. For planning purposes, no less than twenty (20) net square _____ per resident must be provided. The assisted living facility may use eighty percent (80%) of its licensed bed	A 200

A 200	Continued From page 30 capacity as the number of residents to be used in the _____ to determine the required square footage. This may include areas that are less than the entire assisted living facility if the assisted living facility's comprehensive emergency management plan includes allowing a resident to congregate when he or she desires in portions of the building where temperatures will be maintained and includes procedures for monitoring residents for signs of heat related injury as required by this rule. This rule does not prohibit a facility from acting as a receiving provider for evacuees when the conditions stated in section 408.821, F.S. and subsection 59A-36.019(5), F.A.C., are met. The plan shall include information regarding the area(s) within the assisted living facility where the required temperature will be maintained. 2. The alternate power source and fuel supply shall be located in an area(s) in accordance with local zoning and the Florida Building Code. 3. Each assisted living facility is unique in size; the types of care provided; the physical and mental capabilities and needs of residents; the type, frequency, and amount of services and care offered; and staffing characteristics. Accordingly, this rule does not limit the types of systems or equipment that may be used to achieve temperatures at or below 81 degrees Fahrenheit for a minimum of ninety-six (96) hours in the event of the loss of primary electrical power. The plan shall include information regarding the systems and equipment that will be used by the assisted living facility and the fuel required to operate the systems and equipment. a. An assisted living facility in an evacuation zone pursuant to chapter 252, F. S. must maintain an alternative power source and fuel as required by this subsection at all times when the assisted	A 200
