The Findings Included: On at approximately 11:30 AM, an observation of the facility generator and stored fuel was observed. The facility EECP dated, documented the facility would store (2) propane tanks mounted at the of the home strapped with metal strapping's. There was 1 propane tank observed leaning against the wall not strapped securely. During an interview with the Administrator at this time, she stated the facility had two propane tanks stored in the area described in the plan. One of the tanks was stolen and the additional tank was moved to the patio of the home, until secure storage could be obtained (photographic evidence obtained). During an interview with the Administrator, on at 1:15 PM, she acknowledged the findings. Class III	A 200
