This Statute or Rule is not met as evidenced by: Based on observation, record review and interview, the facility failed to have proof of a current sanitation inspection. The facility also failed to maintain an up-to-date admission and discharge log for two out of eight sampled residents (Resident #2 and #3). Findings include: Observation on at 1:40 PM showed a sanitation inspection posted on the bulletin board dated with an unsatisfactory result. Facility record review showed that there was no satisfactory sanitation inspection available for review. A review of the facility's admission and discharge log showed no listing of Resident #3 admitted on and did not document the discharged	A 160
