A 084	Continued From page 16 effective date of this rule, assist with the self-administration of medication and have successfully completed 4 hours of assistance with self-administration of medication training must complete an additional 2 hours of training that focuses on the topics listed in sub-subparagraphs (6)(b)2.h.-n. of this section, before assisting with the self-administration of medication procedures listed in sub-subparagraphs (6)(b)2.h.-n. 429.52 (6) Staff involved with the management of medications and assisting with the self-administration of medications under s. 429.256 must complete a minimum of 6 additional hours of training provided by a registered nurse, a licensed pharmacist, or agency staff. The agency shall establish by rule the minimum requirements of this additional training. This Statute or Rule is not met as evidenced by: Based on record review and interview, it was determined that the facility failed to ensure that all staff that assist residents with their self-administered medications had received the required initial medication training (6 hours total as of effective date of _____ new rule) and the yearly updates for 1 out of 5 sampled employees (Employee A). As evidence of the facility failure to ensure all newly hired employees had received the initial 6 hours training and employees hired before the rule had obtained the 2 hour additional training in the newly medication topics to ensure a total of 6 hours (4 hours plus 2 new updates). The finding included:	A 084
