A 000	Initial Comments An extended congregate care services (ECC) monitoring visit was conducted on at The Princeton Village of Largo. There were deficiencies identified at the time of the survey..		A 000		
A 160 SS=D	59A-36.015(1) FAC Records - Facility The facility must maintain required records in a manner that makes such records readily available at the licensee's physical address for review by a legally authorized entity. If records are maintained in an electronic format, facility staff must be readily available to access the data and produce the requested information. For purposes of this section, "readily available" means the ability to immediately produce documents, records, or other such data, either in electronic or paper format, upon request. (1) FACILITY RECORDS. Facility records must include: (a) The facility's license displayed in a conspicuous and public place within the facility. (b) An up-to-date admission and discharge log listing the names of all residents and each resident's: 1. Date of admission, the facility or place from which the resident was admitted, and if applicable, a notation indicating that the resident was admitted with a; and 2. Date of discharge, reason for discharge, and identification of the facility or home address to which the resident was discharged. Readmission of a resident to the facility after discharge requires a new entry in the log. Discharge of a resident is not required if the facility is holding a bed for a resident who is out of the facility but intending to return pursuant to rule 59A-36.018, F.A.C. If the resident dies while in the care of the facility, the log must indicate the date of		A 160

A 160	Continued From page 2 381.031, F.S., and chapter 64E-12, F.A.C., issued within the last 2 years. (m) Pursuant to section 429.35, F.S., all completed survey, inspection and complaint investigation reports, and notices of sanctions and moratoriums issued by the agency within the last 5 years. (n) The facility's resident elopement response policies and procedures. (o) The facility's documented resident elopement response drills. (p) For facilities licensed as limited mental health, extended congregate care, or limited nursing services, records required as stated in rules 59A-36.020, 59A-36.021 and 59A-36.022, F.A.C., respectively. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to maintain a currently approved fire safety inspection report among its collection of fire reports over the past 2 years. Findings included: Record review conducted on _____ of the facility's latest fire safety report from _____ revealed a document that had a violation that had not yet been corrected. An interview with the Administrator at 2:45pm on _____ indicated that this deficiency pertained to a wall on the third floor, and that she was awaiting resolution from other involved parties before being able to take action. AE207 SS=D	59A-36.021(7) FAC ECC - Services (7) EXTENDED CONGREGATE CARE SERVICES. All services must be provided in the least restrictive environment, and in a manner that respects the resident's independence, privacy, and dignity. (a) A facility providing extended congregate care services may provide supportive services including social service needs, counseling, emotional support, networking, assistance with securing social and leisure services, shopping service, escort service, companionship, family support, information and referral, assistance in developing and implementing self-directed activities, and volunteer services. Family or friends must be encouraged to provide supportive services for residents. The facility must provide training for family or friends to enable them to provide supportive services in accordance with the resident's service plan. (b) A facility providing extended congregate care services must make available the following additional services if required by the resident's service plan: 1. Total help with bathing, _____, grooming and toileting, 2. Nursing assessments conducted more frequently than monthly, 3. Measurement and recording of basic vital functions and _____, 4. Dietary management including provision of special diets, monitoring nutrition, and observing the resident's food and fluid intake and output, 5. Assistance with self-administered medications, or the administration of medications and treatments pursuant to a health care provider's order. If the individual needs assistance with self-administration the facility must inform the	AE207
