A 008 SS=D	429.26(.) FS; 59A-36.006(2) FAC Admissions - Health Assessment 429.26 (4) If possible, each resident shall have been examined by a licensed physician, a licensed physician assistant, or a licensed nurse practitioner within 60 days before admission to the facility. The signed and completed medical examination report shall be submitted to the owner or administrator of the facility who shall use the information contained therein to assist in the determination of the appropriateness of the resident's admission and continued stay in the facility. The medical examination report shall become a permanent part of the record of the resident at the facility and shall be made available to the agency during inspection or upon request. An assessment that has been completed through the Comprehensive Assessment and Review for Long-Term Care Services (CARES) Program fulfills the requirements for a medical examination under this subsection and s. 429.07(3)(b)6. (5) Except as provided in s. 429.07, if a medical examination has not been completed within 60 days before the admission of the resident to the facility, a licensed physician, licensed physician assistant, or licensed nurse practitioner shall examine the resident and complete a medical examination form provided by the agency within 30 days following the admission to the facility to enable the facility owner or administrator to determine the appropriateness of the admission. The medical examination form shall become a	A 008

permanent part of the record of the resident at the facility and shall be made available to the agency during inspection by the agency or upon request.
(6) Any resident accepted in a facility and placed by the department or the Department of Children and Families shall have been examined by medical personnel within 30 days before placement in the facility. The examination shall include an assessment of the appropriateness of placement in a facility. The findings of this examination shall be recorded on the examination form provided by the agency. The completed form shall accompany the resident and shall be submitted to the facility owner or administrator. Additionally, in the case of a mental health resident, the Department of Children and Families must provide documentation that the individual has been assessed by a psychiatrist, clinical psychologist, clinical social worker, or [illegible] nurse, or an individual who is supervised by one of these professionals, and determined to be appropriate to reside in an assisted living facility. The documentation must be in the facility within 30 days after the mental health resident has been admitted to the facility. An evaluation completed upon discharge from a state mental hospital meets the requirements of this subsection related to appropriateness for placement as a mental health resident providing it was completed within 90 days prior to admission to the facility. The applicable department shall provide to the facility administrator any information about the resident that would help the administrator meet his or her responsibilities under subsection (1). Further, department personnel shall explain to the facility operator any special needs of the resident and advise the operator whom to call should problems arise. The

A 084	Continued From page 18 (6) ASSISTANCE WITH THE SELF-ADMINISTRATION OF MEDICATION AND MEDICATION MANAGEMENT. Unlicensed persons who will be providing assistance with the self-administration of medications as described in rule 59A-36.008, F.A.C., must meet the training requirements pursuant to section 429.52(6), F.S., prior to assuming this responsibility. Courses provided in fulfilment of this requirement must meet the following criteria: (a) Training must cover state law and rule requirements with respect to the supervision, assistance, administration, and management of medications in assisted living facilities; procedures and techniques for assisting the resident with self-administration of medication including how to read a prescription label; providing the right medications to the right resident; common medications; the importance of taking medications as prescribed; recognition of side effects and adverse reactions and procedures to follow when residents appear to be experiencing side effects and adverse reactions; documentation and record keeping; and medication storage and disposal. Training shall include demonstrations of proper techniques, including techniques for control, and ensure unlicensed staff have adequately demonstrated that they have acquired the skills necessary to provide such assistance. (b) The training must be provided by a registered nurse or licensed pharmacist who shall issue a training certificate to a trainee who demonstrates, in person and both physically and verbally, the ability to: 1. Read and understand a prescription label; 2. Provide assistance with self-administration in accordance with section 429.256, F.S., and rule 59A-36.008, F.A.C., including:	A 084

A 084	Continued From page 20 (c) Unlicensed persons, as defined in section 429.256(1)(b), F.S., who provide assistance with self-administered medications and have successfully completed the initial 6 hour training, must obtain, annually, a minimum of 2 hours of continuing education training on providing assistance with self-administered medications and safe medication practices in an assisted living facility. The 2 hours of continuing education training may be provided online. (d) Trained unlicensed staff who, prior to the effective date of this rule, assist with the self-administration of medication and have successfully completed 4 hours of assistance with self-administration of medication training must complete an additional 2 hours of training that focuses on the topics listed in sub-subparagraphs (6)(b)2.h.-n. of this section, before assisting with the self-administration of medication procedures listed in sub-subparagraphs (6)(b)2.h.-n. 429.52 (6) Staff involved with the management of medications and assisting with the self-administration of medications under s. 429.256 must complete a minimum of 6 additional hours of training provided by a registered nurse, a licensed pharmacist, or agency staff. The agency shall establish by rule the minimum requirements of this additional training. This Statute or Rule is not met as evidenced by: Based on personnel record review and interview for 2 of 3 sampled staff (B and C), the facility failed to ensure all staff who assist with medications had completed the required annual 2-hour update training for Assisting with Self-Administration of Medications.
