A 084	Continued From page 3 the minimum requirements of this additional training. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure that staff who assisted residents with their medication self-administration had completed the initial 6 hour training in this area for one (Staff B) of four staff sampled. Findings included: During an interview conducted with Staff A at 10am on _____, Staff A stated that Staff B provided assisted self-administration of medications for residents as a part of her normal duties. Record review of Staff B's personnel record conducted on the _____ revealed Staff B had a _____ date of hire, but no documentation verifying completion of the 6 hour initial training in medication assistance could be located. Interview with Staff A at approximately 11:30am on _____, there was no explanation provided for the discrepancy. Class III	A 084
