A 030	Continued From page 8 resting on her . . . According to the Administrator, the resident is and . The Administrator immediately instructed the CG to put her mask . . . on, which she did. However, she did not conduct any additional COVID-19 screening, such as using a standardized questionnaire or other form of documentation, and screening temperatures were not completed. When questioned further, she stated that the facility does not use a screening form and does not conduct temperatures or screening on staff and visitors entering the facility. The facility is licensed for 19 residents and there are currently 18 residents residing in the facility. The Department of Health representative recommended to the Administrator that resident temperatures be taken times a day as part of the COVID-19 screening process. The administrator replied that resident temperatures are not routinely being taken, and that she would need to contact the physician for orders to complete resident temperatures. "I am not sure the staff would be able to handle completing temperatures on all of the residents." The administrator revealed that the facility had . . . box of procedural masks for residents who were coughing or sneezing, 3 washable gowns but no disposable gowns, and she was out of sanitizer, so she went online and developed her own "recipe" for . . . sanitizer which consisted of 3 parts . . . and 1 part Aloe Vera. The Administrator stated that she had called the Emergency Operations Center (EOC) and that the EOC was not giving PPE to the assisted living facilities. The Administrator said she never contacted the Department of Health for assistance with obtaining personal protective equipment (PPE).	A 030
