A 078 SS=D	59A-36.010(2) FAC Staffing Standards - Staff (2) STAFF. (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of testing materials satisfies the annual examination requirement. An individual with a positive test must submit a health care provider's statement that the individual does not constitute a risk of 2. If any staff member has, or is suspected of having, a communicable , such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable (b) Staff must be qualified to perform their	A 078

A 078	Continued From page 1 assigned duties consistent with their level of education, training, preparation, and experience. Staff providing services requiring licensing or certification must be appropriately licensed or certified. All staff must exercise their responsibilities, consistent with their qualifications, to observe residents, to document observations on the appropriate resident's record, and to report the observations to the resident's health care provider in accordance with this rule chapter. (c) All staff must comply with the training requirements of rule 59A-36.011, F.A.C. (d) An assisted living facility to provide services to residents must ensure that individuals providing services are qualified to perform their assigned duties in accordance with this rule chapter. The contract between the facility and the staffing agency or contractor must specifically describe the services the staffing agency or contractor will provide to residents. (e) For facilities with a licensed capacity of 17 or more residents, the facility must: 1. Develop a written job description for each staff position and provide a copy of the job description to each staff member; and, 2. Maintain time sheets for all staff. (f) Level 2 background screening must be conducted for staff, including staff by the facility to provide services to residents, pursuant to sections 408.809 and 429.174, F.S. This Statute or Rule is not met as evidenced by: Based on observation and interview, the facility failed to ensure that its staff were qualified to perform their assigned duties consistent with their training and preparation. Three of three sampled staff were unable to operate the facility's alternate power source (generator) which would be used in case of a power outage emergency (Staff B, Staff	A 078

A 078	Continued From page 2 C and Staff D). Findings included: On at 9:45 AM, observed outside in the of the facility and inside a shed, a generator, Dual Hybrid Elite KP 10,000 EH. Also observed in the backyard, a tank with of propane. On at 10:20 AM, observed Staff D take the generator out of the shed on the patio, then at 10:35 AM took it to the front of the facility where the main electrical panel was, but was unable to connect it. Further observation showed that Staff B and Staff C also could not connect the generator, and stated that they'd all learned what to do it but could not remember and were afraid to touch the electricity. They called the owner on the phone and she stated that all staff would receive the training again to make sure they all knew how to connect and operate the generator. Class III	A 078
