CZ824 SS=C	408.811 FS; 59A-35.120 FAC Right of Inspection; Inspection Reports 408.811 Right of inspection; copies; inspection reports; plan for correction of deficiencies.- (1) An authorized officer or employee of the agency may make or cause to be made any inspection or investigation deemed necessary by the agency to determine the state of compliance with this part, authorizing statutes, and applicable rules. The right of inspection extends to any business that the agency has reason to believe is being operated as a provider without a license, but inspection of any business suspected of being operated without the appropriate license may not be made without the permission of the owner or person in charge unless a warrant is first obtained from a circuit court. Any application for a license issued under this part, authorizing statutes, or applicable rules constitutes permission for an appropriate inspection to verify the information submitted on or in connection with the application. (a) All inspections shall be unannounced, except as specified in s. 408.806. (b) Inspections for relicensure shall be conducted biennially unless otherwise specified by authorizing statutes or applicable rules. (2) Inspections conducted in conjunction with certification, comparable licensure requirements, or a recognized or approved accreditation organization may be accepted in lieu of a complete licensure inspection. However, a licensure inspection may also be conducted to review any licensure requirements that are not also requirements for certification. (3) The agency shall have access to and the licensee shall provide, or if requested send, copies of all provider records required during an inspection or other review at no cost to the agency, including records requested during an	CZ824

CZ824	Continued From page 1 offsite review. (4) A deficiency must be corrected within 30 calendar days after the provider is notified of inspection results unless an alternative timeframe is required or approved by the agency. (5) The agency may require an applicant or licensee to submit a plan of correction for deficiencies. If required, the plan of correction must be filed with the agency within 10 calendar days after notification unless an alternative timeframe is required. (6)(a) Each licensee shall maintain as public information, available upon request, records of all inspection reports pertaining to that provider that have been filed by the agency unless those reports are exempt from or contain information that is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution or is otherwise made confidential by law. Copies of such reports shall be retained in the records of the provider for at least 3 years following the date the reports are filed and issued, regardless of a change of ownership. (b) A licensee shall, upon the request of any person who has completed a written application with intent to be admitted by such provider, any person who is a client of such provider, or any relative, spouse, or guardian of any such person, furnish to the requester a copy of the last inspection report pertaining to the licensed provider that was issued by the agency or by an accrediting organization if such report is used in lieu of a licensure inspection. 59A-35.120 Inspections. CZ824	Continued From page 2 notice to the provider, unless an alternative timeframe is required or approved by the Agency . (b) The Agency may conduct an unannounced follow-up inspection or off-site review to verify correction of deficiencies at any time. (2) If an inspection is completed through off-site record review, any records requested by the Agency in conjunction with the review, must be received within 7 days of request and provided at no cost to the Agency. Each licensee shall maintain the records including medical and treatment records of a client and provide access to the Agency. (3) Providers that are exempt from Agency inspections due to accreditation oversight as prescribed in authorizing statutes must provide: (a) Documentation from the accrediting agency including the name of the accrediting agency, the beginning and expiration dates of the provider's accreditation, accreditation status and type must be submitted at the time of license application, or within 21 days of accreditation. (b) Documentation of each accreditation inspection including the accreditation organization's report of findings, the provider's response and the final determination must be submitted within 21 days of final determination or the provider is no longer exempt from Agency inspection. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to provide access to required resident records for eight out of eight sampled residents (Resident # 1 - 8) during an onsite inspection. Findings Included: A review of Resident # 1 - 8's records showed no documentation of resident's progress notes.	CZ824

A 078 SS=D	59A-36.010(2) FAC Staffing Standards - Staff (2) STAFF. (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of testing materials satisfies the annual examination requirement. An individual with a positive test must submit a health care provider's statement that the individual does not constitute a risk of 2. If any staff member has, or is suspected of having, a communicable, such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable (b) Staff must be qualified to perform their	A 078
