A 200	Continued From page 27 future submissions for approval of its comprehensive emergency management plan. (8) NOTIFICATION. (a) Within five (5) business days, each assisted living facility must notify in writing, unless permission for electronic communication has been granted, each resident and the resident's legal representative: 1. Upon submission of the plan to the county emergency management agency that the plan has been submitted for review and approval; 2. Upon final implementation of the plan by the assisted living facility. (b) Each assisted living facility must maintain a copy of each notification set forth in paragraph (a) above in a manner that makes each notification readily available at the licensee's physical address for review by a legally authorized entity. If the notifications are maintained in an electronic format, facility staff must be readily available to access and produce the notifications. For purposes of this section, "readily available" means the ability to immediately produce the notifications, either in electronic or paper format, upon request. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to notify the residents or their legal representatives in writing of the implementation of the emergency power plan (EPP) for three out of four sampled residents (Resident#1, #2, #4). Findings include: Review of Resident#1, #2, #4 records showed that was no documentation that the residents or their legal representatives were notified of the implementation of the EPP.	A 200
