A 084	Continued From page 3 429.52 (6) Staff assisting with the self-administration of medications under s. 429.256 must complete a minimum of 6 additional hours of training provided by a registered nurse or a licensed pharmacist before providing assistance. Two hours of continuing education are required annually thereafter. The agency shall establish by rule the minimum requirements of this training This Statute or Rule is not met as evidenced by: Based on record review and staff interview, the facility failed to ensure staff who provide assistance with self-administration of medications have on file documentation of completion of an initial 6 hour required training for assistance with self-administration of medications for 1 (Staff A) of 3 staff records reviewed. The findings included: On at 12:00 p.m., a review of Staff A's employee file revealed a certification for a 4-hour continuing education self-study course for assistance with self-mediations on and a 2-hour continuing education self-study course for medication administration tech (mat) refresher course on A certificate of attendance for 2-hour update for assistance with self-administration of medications on signed by a Registered Nurse. Staff A's file contained no documentation of initial 6-hour training on assistance of self-administration of medications. On at 2:15 p.m., in an interview with the Business Office Manager, she stated she was responsible for scheduling the staff training, she reviewed Staff A's employee file and confirmed no	A 084
