A 000	Initial Comments A complaint investigation #201901773 was conducted at Prestige Place ALF on 10/19/2020. The facility had deficiencies at the time of the visit.	A 000		
A 008 SS=D	429.26() FS; 59A-36.006(2) FAC Admissions - Health Assessment 429.26 (5) Each resident must have been examined by a licensed physician, a licensed physician assistant, or a licensed advanced practice registered nurse within 60 days before admission to the facility or within 30 days after admission to the facility, except as provided in s. 429.07. The information from the medical examination must be recorded on the practitioner's form or on a form adopted by agency rule. The medical examination form, signed only by the practitioner, must be submitted to the owner or administrator of the facility, who shall use the information contained therein to assist in the determination of the appropriateness of the resident's admission to or continued residency in the facility. The medical examination form may only be used to record the practitioner's direct observation of the patient at the time of examination and must include the patient's medical history. Such form does not guarantee admission to, continued residency in, or the delivery of services at the facility and must be used only as an informative tool to assist in the determination of the appropriateness of the resident's admission to or continued residency in the facility. The medical examination form, reflecting the resident's condition on the date the examination is performed, becomes a permanent part of the facility's record of the resident and must be made available to the agency during inspection or upon	A 008

A 008	Continued From page 1 request. An assessment that has been completed through the Comprehensive Assessment and Review for Long-Term Care Services (CARES) Program fulfills the requirements for a medical examination under this subsection and s. 429.07(3)(b)6. (6) Any resident accepted in a facility and placed by the Department of Children and Families must have been examined by medical personnel within 30 days before placement in the facility. The examination must include an assessment of the appropriateness of placement in a facility. The findings of this examination must be recorded on the examination form provided by the agency. The completed form must accompany the resident and must be submitted to the facility owner or administrator. Additionally, in the case of a mental health resident, the Department of Children and Families must provide documentation that the individual has been assessed by a psychiatrist, clinical psychologist, clinical social worker, or _____ nurse, or an individual who is supervised by one of these professionals, and determined to be appropriate to reside in an assisted living facility. The documentation must be in the facility within 30 days after the mental health resident has been admitted to the facility. An evaluation completed upon discharge from a state mental hospital meets the requirements of this subsection related to appropriateness for placement as a mental health resident provided that it was completed within 90 days prior to admission to the facility. The Department of Children and Families shall provide to the facility administrator any information about the resident which would help the administrator meet his or her responsibilities under subsection (1). Further, Department of Children and Families personnel shall explain to	A 008

A 030	Continued From page 14 Centers for Control. On, the Governor of the State of Florida issued Executive Order 20-51 designating a Public Health Emergency as a result of COVID-19 and its impact. Pursuant to that authority, emergency orders have been issued by the Florida Division of Emergency Management to implement the protections necessary to assure the health, safety, and well-being of Florida's citizenry, including those most to the effects of Among those emergency orders was DEM Order 20-006, dated, delineating minimum screening standards for persons entering identified residential facilities. The Agency for Health Care Administration (AHCA) has issued guidance and clarification on DEM Order 20-006 to providers, and on issued an alert notifying nursing homes that all staff or other individuals admitted to a residential facility must don . . . masks and that caregivers must wear gloves when providing resident care. While the treatment and management of residents with . . . and the implementation of isolation precautions for such events are a long-standing health care issues faced by residential facilities, the ease of contagion and the effects of . . . presented by COVID-19 mandate that providers exert meticulous practice and procedure to identify resident symptoms and take immediate procedures to both assure appropriate treatment of a potentially resident and protect the remainder of a facility's population from the risk of spread of the Findings:	A 030

A 030	Continued From page 15 Upon entering the facility on 10/20/2020 at 10 AM staff A granted entry. She contacted the administrator by phone and went about her business. She did not wear a mask. The staff did not take the surveyor's temperature, nor did she provide a questionnaire related to Covid -19. The administrator arrived at 10:25 AM, she did not wear a mask either. The administrator retrieved a mask from her desk after the surveyor told her the mask mandate, and monitoring of visitors, staff and residents was still in effect. The administrator said on _____ at 10:30 AM that there were two residents who received hospice services and one family had come to visit, but screening including temperature checks were not done. She added that residents and staff were monitored but did not provide written documentation. Class III	A 030		
A 032 SS=D	59A-36.007(8) FAC Resident Care - Elopement Standards 59A-36.007 (8) ELOPEMENT STANDARDS. (a) Residents Assessed at Risk for Elopement. All residents assessed at risk for elopement or with any history of elopement must be identified so staff can be alerted to their needs for support and supervision. All residents must be assessed for risk of elopement by a health care provider or a mental health care provider within 30 calendar days of being admitted to a facility. If the resident has had a health assessment performed prior to admission pursuant to paragraph 59A-36.006(2) (a), F.A.C., this requirement is satisfied. A 200	Continued From page 34 than the entire assisted living facility if the assisted living facility's comprehensive emergency management plan includes allowing a resident to congregate when he or she desires in portions of the building where temperatures will be maintained and includes procedures for monitoring residents for signs of heat related injury as required by this rule. This rule does not prohibit a facility from acting as a receiving provider for evacuees when the conditions stated in section 408.821, F.S. and subsection 59A-36.019(5), F.A.C., are met. The plan shall include information regarding the area(s) within the assisted living facility where the required temperature will be maintained. 2. The alternate power source and fuel supply shall be located in an area(s) in accordance with local zoning and the Florida Building Code. 3. Each assisted living facility is unique in size; the types of care provided; the physical and mental capabilities and needs of residents; the type, frequency, and amount of services and care offered; and staffing characteristics. Accordingly, this rule does not limit the types of systems or equipment that may be used to achieve temperatures at or below 81 degrees Fahrenheit for a minimum of ninety-six (96) hours in the event of the loss of primary electrical power. The plan shall include information regarding the systems and equipment that will be used by the assisted living facility and the fuel required to operate the systems and equipment. a. An assisted living facility in an evacuation zone pursuant to chapter 252, F. S. must maintain an alternative power source and fuel as required by this subsection at all times when the assisted living facility is occupied but is permitted to utilize a mobile generator(s) to enable portability if evacuation is necessary. CZ821	Continued From page 48 In an interview with the administrator on at 1:15 PM who said resident # 1 sneaked out thru the front door after lunch. He went to a nearby store to play lottery. Told the clerk he did not feel well, the clerk called the ambulance who took him to the local emergency room. She added she called police, and two officers responded, one went to the local emergency room and one stayed at the facility. The police found him (resident) an hour later at the hospital. The resident was able to tell the hospital why he went out. She said she wrote notes about the incident but was unable to locate them and she did not submit an adverse report to the Agency.
