A 052	Continued From page 3 and spoons. Trained staff may also return unused doses to the medication container. Medication, which appears to have been contaminated, must not be returned to the container. (d) Trained staff must observe the resident take the medication. Any concerns about the resident's reaction to the medication or suspected noncompliance must be reported to the resident's health care provider and documented in the resident's record. (e) When a resident who receives assistance with medication is away from the facility and from facility staff, the following options are available to enable the resident to take medication as prescribed: 1. The health care provider may prescribe a medication schedule that coincides with the resident's presence in the facility, 2. The medication container may be given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record, 3. The medication may be transferred to a pill organizer pursuant to the requirements of subsection (2), and given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record, or 4. Medications may be separately prescribed and dispensed in an easier to use form, such as unit dose packaging. (f) Assistance with self-administration of medication does not include the activities detailed in section 429.256(4), F.S. 1. As used in section 429.256(4)(g), F.S., the term "competent resident" means that the resident is cognizant of when a medication is required and understands the purpose for taking the medication. A 052	Continued From page 4 2. As used in section 429.256(4)(h), F.S., the terms "judgment" and "discretion" mean interpreting vital signs and evaluating or assessing a resident's condition. (g) All trained staff must adhere to the facility's control policy and procedures when assisting with the self-administration of medication. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure that all staff who assist with self administration of medication received a certificate of completion for the Initial 6 hours of training, for 2 of 3 sampled staff (Staff A , Staff B). The Findings Included: Review of Staff A and B's personnel files revealed both files lack evidence of completion of the 6 hour initial medication training. Record review revealed the following. a) Staff A's date of hire noted as _____ Staff A had a certificate on file dated for 11/14/2019 for 2 hrs of continuing education for assistance with self administration of medication. At this time the Business Office Manager was provided an opportunity to locate the documentation. However, no evidence of the 6 hour initial training could be located. b) Staff B's date of hire noted as _____ Staff B has a certificate dated _____ for 4 hours of initial training for assistance with self administration of medication. At this time the Business Office Manager was provided an opportunity to locate the documentation.	A 052
