A 000	Initial Comments A re-licensure survey was conducted in conjunction with a focused _____ control visit and generator assessment at the Allegro St. _____ on _____. The provider had deficiencies at the time of the visit.	A 000		
A 081	429.52(1 & 7) FS; 59A-36.011() FAC Training - Staff In-Service 429.52(1) (1) Each new assisted living facility employee who has not previously completed core training must attend a preservice orientation provided by the facility before interacting with residents. The preservice orientation must be at least 2 hours in duration and cover topics that help the employee provide responsible care and respond to the needs of facility residents. Upon completion, the employee and the administrator of the facility must sign a statement that the employee completed the required preservice orientation. The facility must keep the signed statement in the employee's personnel record. (7) Facility staff shall participate in in-service training relevant to their job duties as specified by agency rule of the agency. Topics covered during the preservice orientation are not required to be repeated during in-service training. A single certificate of completion that covers all required in-service training topics may be issued to a participating staff member if the training is provided in a single training course. 59A-36.011 (2) STAFF PRESERVICE ORIENTATION. (a) Facilities must provide a preservice orientation of at least 2 hours to all new assisted living facility employees who have not previously	A 081

A 081	Continued From page 3 Based on a review of employee training records and interview with the Administrator, the facility failed to provide a preservice orientation of at least 2 hours that covered topics related to the provision of resident care and response to resident needs to 2 of 3 employees (Employees B and C) whose records were reviewed. The findings include: A personnel file review conducted for Employee B found she was hired on _____ as a Medication Technician. Further review of the record found she had not received the required 2 hour preservice orientation training prior to interacting with the residents. A personnel file review conducted for Employee C found she was hired on _____ as a Care Staff. Further review of her file found she had not received the required 2 hour preservice orientation training prior to interacting with residents. An interview was conducted with the Administrator at 4:20 pm on _____. She stated the preservice orientation was completed on the _____ (computer program training site) and then in a live training. She stated due to the pandemic, live trainings had not been completed in _____, or _____, 2020. The Administrator reviewed the files for Employees B and C confirmed the missing preservice orientation trainings and certificates.	A 081
