A 165 SS=D	429.23(&) FS; 59A-36.016 FAC Risk Mgmt & QA; Adverse Incident Report 429.23 Internal risk management and quality assurance program; adverse incidents and reporting requirements - (1) Every facility licensed under this part may, as part of its administrative functions, voluntarily establish a risk management and quality assurance program, the purpose of which is to assess resident care practices, facility incident reports, deficiencies cited by the agency, adverse incident reports, and resident grievances and develop plans of action to correct and respond quickly to identify quality differences. (2) Every facility licensed under this part is required to maintain adverse incident reports. For purposes of this section, the term, "adverse incident" means: (a) An event over which facility personnel could exercise control rather than as a result of the resident's condition and results in: 1. ; 2. or damage; 3. Permanent ; 4. or of bones or joints; 5. Any condition that required medical attention to which the resident has not given his or her consent, including failure to honor advanced directives; 6. Any condition that requires the transfer of the resident from the facility to a unit providing more acute care due to the incident rather than the	A 165

An event that is reported to law enforcement or its personnel for investigation; or (b) Resident elopement, if the elopement places the resident at risk of harm or injury. (3) Licensed facilities shall provide within 1 business day after the occurrence of an adverse incident, through the agency's online portal, or if the portal is offline, by electronic mail, a preliminary report to the agency on all adverse incidents specified under this section. The report must include information regarding the identity of the affected resident, the type of adverse incident, and the status of the facility's investigation of the incident. (4) Licensed facilities shall provide within 15 days, through the agency's online portal, or if the portal is offline, by electronic mail a full report to the agency on all adverse incidents specified in this section. The report must include the results of the facility's investigation into the adverse incident. (6) , neglect, or , must be reported to the Department of Children and Families as required under chapter 415. (7) The information reported to the agency pursuant to subsection (3) which relates to persons licensed under chapter 458, chapter 459, chapter 461, chapter 464, or chapter 465 shall be reviewed by the agency. The agency shall determine whether any of the incidents potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 apply. The agency may investigate, as it deems appropriate, any such incident and prescribe measures that must or may be taken in response to the incident. The agency shall review each incident and	A 165

A 165	Continued From page 3 resident records sampled. Findings included: A resident record review conducted on _____ for Resident #1 revealed that Resident #1 was involved in and incident with Resident #2 which resulted in Resident #1 being transported to an acute care facility due to the incident rather than Resident #1's condition before the incident. An attempted record review of the facility's Adverse Incident Reports revealed that the facility had not completed a 1-day Adverse Incident Report for Resident #1 that involved Resident #1 being transported to an acute care facility due to the incident rather than Resident #1's condition before the incident. During an interview conducted on _____ at 11:33am with the Assistant Administrator, the Assistant Administrator confirmed that the facility did not complete a 1-day Adverse Incident Report for Resident #1 that involved Resident #1 being transported to an acute care facility due to the incident rather than Resident #1's condition before the incident. The Assistant Administrator stated, "We didn't do and Adverse Incident Report." Class III	A 165
