A 052 SS=D	A COVID-19 Monitoring Visit was conducted at Buena Vista Healthcare II, Corp. on 11/11/2020. A deficiency was identified at the time of visit. 429.256() ; 59A-36.008(3) Medication - Assistance with Self-Admin 429.256 (3) Assistance with self-administration of medication includes: (a) Taking the medication, in its previously dispensed, properly labeled container, including an oral syringe that is prefilled with the proper dosage by a pharmacist and an oral syringe that is prefilled by the manufacturer, from where it is stored, and bringing it to the resident. (b) In the presence of the resident, confirming that the medication is intended for that resident, orally advising the resident of the medication name and dosage, opening the container, removing a prescribed amount of medication from the container, and closing the container. The resident may sign a written waiver to opt out of being orally advised of the medication name and dosage. The waiver must identify all of the medications intended for the resident, including names and dosages of such medications, and must immediately be updated each time the resident's medications or dosages change. (c) Placing an oral dosage in the resident's or placing the dosage in another container and helping the resident by lifting the container to his or her mouth. (d) Applying topical medications. (e) Returning the medication container to proper storage. (f) Keeping a record of when a resident receives assistance with self-administration under this	A 052

A 052	Continued From page 2 parameters that preclude independent judgment on the part of the unlicensed person, and the resident requesting the medication is aware of his or her need for the medication and understands the purpose for taking the medication. (h) Medications for which the time of administration, the amount, the strength of dosage, the method of administration, or the reason for administration requires judgment or discretion on the part of the unlicensed person. (5) Assistance with the self-administration of medication by an unlicensed person as described in this section shall not be considered administration as defined in s. 465.003. 59A-36.008 (3) ASSISTANCE WITH SELF-ADMINISTRATION. (a) Any unlicensed person providing assistance with self-administration of medication must be _____ or older, trained to assist with self administered medication pursuant to the training requirements of rule 59A-36.011, F.A.C., and must be available to assist residents with self-administered medications in accordance with procedures described in section 429.256, F.S. and this rule. (b) In addition to the specifications of section 429.256(3), F.S., assistance with self-administration of medication includes, in the presence of the resident, reading the medication label aloud and verbally prompting a resident to take medications as prescribed. (c) In order to facilitate assistance with self-administration, trained staff may prepare and make available such items as water, juice, cups, and spoons. Trained staff may also return unused doses to the medication container. Medication,	A 052

A 052	Continued From page 3 which appears to have been contaminated, must not be returned to the container. (d) Trained staff must observe the resident take the medication. Any concerns about the resident's reaction to the medication or suspected noncompliance must be reported to the resident's health care provider and documented in the resident's record. (e) When a resident who receives assistance with medication is away from the facility and from facility staff, the following options are available to enable the resident to take medication as prescribed: 1. The health care provider may prescribe a medication schedule that coincides with the resident's presence in the facility, 2. The medication container may be given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record, 3. The medication may be transferred to a pill organizer pursuant to the requirements of subsection (2), and given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record, or 4. Medications may be separately prescribed and dispensed in an easier to use form, such as unit dose packaging. (f) Assistance with self-administration of medication does not include the activities detailed in section 429.256(4), F.S. 1. As used in section 429.256(4)(g), F.S., the term "competent resident" means that the resident is cognizant of when a medication is required and understands the purpose for taking the medication. 2. As used in section 429.256(4)(h), F.S., the terms "judgment" and "discretion" mean	A 052

A 052	Continued From page 4 interpreting vital signs and evaluating or assessing a resident's condition. (g) All trained staff must adhere to the facility's control policy and procedures when assisting with the self-administration of medication. This Statute or Rule is not met as evidenced by: Based on observation, record review and interview, the facility failed to follow the correct procedure outlined by the State when assisting one of one sampled residents with self-administration of medications (Resident #1). The staff did not verify that the resident took all of his medications. Findings included: On _____ at 9:45 AM, observed on the floor next to the kitchen cabinet, a dark yellow round pill on the floor. A review of all medications and the Medication Observation Records (MOR) for all residents revealed that the medication, _____ 20 mg. tablet belonged to Resident 1, prescribed for 8:00 AM. Further review showed that the medication card was missing three pills and the medication record was initiated for the three days of _____. On _____ at 9:45 AM, Staff E stated, "I gave him the medications this morning, it probably _____ by mistake and I did not notice." On _____ at 9:45 am, the Administrator stated that he was going to make a note on the _____ of the MOR, and he was also going to call the pharmacy to get a replacement pill. Class III	A 052
