A 052	Continued From page 4 terms "judgment" and "discretion" mean interpreting vital signs and evaluating or assessing a resident's condition. (g) All trained staff must adhere to the facility's control policy and procedures when assisting with the self-administration of medication. This Statute or Rule is not met as evidenced by: Based on observation, record review and interview, the facility failed to ensure that staff followed the required steps when assisting a resident with their self-administered medications, for 1 of 6 sampled residents (Resident # 9). As evidenced of the facility staff failure to bring and dispense the medication in the presence of the resident. The staff member also failed to document the Medication Observation Records (MORs) after assisting the resident . The findings included: On _____ at 12 PM, Employee A (Medi-Tech) undertook the task to assist Resident #9 with self-administration of medication. Employee A was observed retrieving the Medication Observation Record (MOR), opening the medication cart and taking out the bubble pack of pills while standing in the family room, where the Med Cart was located. Meanwhile, Resident #9 was in bed in her room. Employee A opened the bubble pack by pushing the pill into a small plastic cup, poured water into a cup, and signed the MOR immediately after. Then, she walked to Resident #9's room and discovered that the resident was sound asleep. Despite her multiple attempts to wake the resident up, Resident #9 did not wake up.	A 052
