{A 000}	Initial Comments A third Revisit to 12/23/2019 Complaint Investigation (Complaint Number: 2019015696), a Complaint Investigation (Complaint Numbers: 2020004576, 2020014988, and 2020015703), an Control Visit, and a Generator Monitoring were conducted at Brookdale of New Port Richey on . Deficiencies were identified at the time of survey.	{A 000}		
{A 056} SS=D	59A-36.008(7) FAC Medication - Labeling and Orders (7) MEDICATION LABELING AND ORDERS. (a) The facility may not store prescription drugs for self-administration, assistance with self-administration, or administration unless they are properly labeled and dispensed in accordance with chapters 465 and 499, F.S., and rule 64B16-28.108, F.A.C. If a customized patient medication package is prepared for a resident, and separated into individual medicinal drug containers, then the following information must be recorded on each individual container: 1. The resident's name; and, 2. The identification of each medicinal drug in the container. (b) Except with respect to the use of pill organizers as described in subsection (2), no individual other than a pharmacist may transfer medications from one storage container to another. (c) If the directions for use are "as needed" or "as directed," the health care provider must be contacted and requested to provide revised instructions. For an "as needed" prescription, the circumstances under which it would be appropriate for the resident to request the medication and any limitations must be specified; for example, "as needed for , , not to exceed 4	{A 056}

{A 056}	Continued From page 1 tablets per day." The revised instructions, including the date they were obtained from the health care provider and the signature of the staff who obtained them, must be noted in the medication record, or a revised label must be obtained from the pharmacist. (d) Any change in directions for use of a medication that the facility is administering or providing assistance with self-administration must be accompanied by a written, faxed, or electronic copy of a medication order issued and signed by the resident's health care provider. The new directions must promptly be recorded in the resident's medication observation record. The facility may then obtain a revised label from the pharmacist or place an "alert" label on the medication container that directs staff to examine the revised directions for use in the medication observation record. (e) A nurse may take a medication order by telephone. Such order must be promptly documented in the resident's medication observation record. The facility must obtain a written medication order from the health care provider within 10 working days. A faxed or electronic copy of a signed order is acceptable. (f) The facility must make every reasonable effort to ensure that prescriptions for residents who receive assistance with self-administration of medication or medication administration are filled or refilled in a timely manner. (g) Pursuant to section 465.0276(5), F.S., and rule 61N-1.006, F.A.C., sample or complimentary prescription drugs that are dispensed by a health care provider, must be kept in their original manufacturer's packaging, which must include the practitioner's name, the resident's name for whom they were dispensed, and the date they were dispensed. If the sample or complimentary	{A 056}

{A 056}	Continued From page 2 prescription drugs are not dispensed in the manufacturer's labeled package, they must be kept in a container that bears a label containing the following: 1. Practitioner's name, 2. Resident's name, 3. Date dispensed, 4. Name and strength of the drug, 5. Directions for use; and, 6. Expiration date. (h) Pursuant to section 465.0276(2)(c), F.S., before dispensing any sample or complimentary prescription drug, the resident's health care provider must provide the resident with a written prescription, or a faxed or electronic copy of such order. This Statute or Rule is not met as evidenced by: Based on observation and interview, the Facility failed to ensure that prescriptions for residents receiving assistance with self-administration or medication administration were refilled in a timely manner and failed to ensure proper labeling of medications for two Residents (#6 and #7) of six sampled residents. Findings Included: During a medication reconciliation for Resident #7 with Staff F (a licensed practical nurse), conducted on _____ at 03:10pm, Resident #7's _____ 0.5mg medication pack had a label that stated to take one tablet by _____ every afternoon and every evening (See photographic Evidence4). At 03:25pm, Resident #6 had the prescribed medication _____ powder 100,000 unit/gram ordered to apply twice every day for skin irritation. The _____ powder was not available to give/offer to Resident #6.	{A 056}

{A 056}	Continued From page 3 A record review for Resident #7, conducted on _____, revealed that Resident #7's prescribed _____ 0.5mg medication was ordered one tablet daily at bedtime. During an interview with Staff F, conducted on _____ at 03:10pm, Staff F stated that the medication label was confusing and was unsure the reason that the health care provider was not notified for a clarification order. At 03:25pm, Staff F stated that Resident #6 did not need the prescribed medication _____ powder any longer. Staff F was unable to provide evidence that the Facility notified Resident #6's health care provider that the resident was not receiving the prescribed _____ powder. During an interview with the Administrator, conducted on _____ at 06:10pm, the Administrator agreed that Resident #7's medication label was incorrect and stated that the Facility should have contacted the health care provider for clarification. The Administrator agreed that Resident #6's prescribed medication _____ powder was not available to give/offer to the resident. The Administrator stated that prescribed medications should be available to residents. Class III	{A 056}
