{A 078}	Continued From page 2 Findings Included: Review of employee records for Staff A, C, and D showed no written statement from a health care provider documenting that the individual does not constitute a risk of transmitting a communicable During an interview on at 10:00 AM, Staff A stated that she was not aware the staff still needed a statement of freedom from communicable from a health care provider because it was more than 10 days since they were first positive for COVID-19 so she thought she could return to work without it. During an interview on at 1:41 PM, the compliance manager stated she did not know the staff needed to have a statement from a healthcare provider stating they were free from communicable, but she will have the staff get one this week.
