{A 000}	Initial Comments A revisit to biennial survey was conducted at Bayou Gardens Dunedin Assisted Living Facility on . Bayou Gardens Dunedin Assisted Living Facility had deficient practice identified at the time of the survey.		{A 000}		
{A 052} SS=D	429.256(); 59A-36.008(3) Medication - Assistance with Self-Admin 429.256 (3) Assistance with self-administration of medication includes: (a) Taking the medication, in its previously dispensed, properly labeled container, including an syringe that is prefilled with the proper dosage by a pharmacist and an that is prefilled by the manufacturer, from where it is stored, and bringing it to the resident. (b) In the presence of the resident, confirming that the medication is intended for that resident, orally advising the resident of the medication name and dosage, opening the container, removing a prescribed amount of medication from the container, and closing the container. The resident may sign a written waiver to opt out of being orally advised of the medication name and dosage. The waiver must identify all of the medications intended for the resident, including names and dosages of such medications, and must immediately be updated each time the resident's medications or dosages change. (c) Placing an oral dosage in the resident's or placing the dosage in another container and helping the resident by lifting the container to his or her (d) Applying medications. (e) Returning the medication container to proper storage. (f) Keeping a record of when a resident receives		{A 052}

{A 052}	Continued From page 3 doses to the medication container. Medication, which appears to have been contaminated, must not be returned to the container. (d) Trained staff must observe the resident take the medication. Any concerns about the resident's reaction to the medication or suspected noncompliance must be reported to the resident's health care provider and documented in the resident's record. (e) When a resident who receives assistance with medication is away from the facility and from facility staff, the following options are available to enable the resident to take medication as prescribed: 1. The health care provider may prescribe a medication schedule that coincides with the resident's presence in the facility. 2. The medication container may be given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record. 3. The medication may be transferred to a pill organizer pursuant to the requirements of subsection (2), and given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record, or 4. Medications may be separately prescribed and dispensed in an easier to use form, such as unit dose packaging. (f) Assistance with self-administration of medication does not include the activities detailed in section 429.256(4), F.S. 1. As used in section 429.256(4)(g), F.S., the term "competent resident" means that the resident is cognizant of when a medication is required and understands the purpose for taking the medication. 2. As used in section 429.256(4)(h), F.S., the	{A 052}

{A 052}	Continued From page 4 terms "judgment" and "discretion" mean interpreting vital signs and evaluating or assessing a resident's condition. (g) All trained staff must adhere to the facility's control policy and procedures when assisting with the self-administration of medication. This Statute or Rule is not met as evidenced by: Based on observation, interview, and record review, the facility failed to ensure to properly document when medications were given for three (Resident #1, Resident #2, and Resident #3) of three sampled residents. Findings Included: A review of medication observation records (MORs) for Resident #1, Resident #2, and Resident #3 on at 11:00am revealed there was no documentation that 8:00am medication was given for the day of . During an interview with Staff A on at 11:00am they stated, "8:00am meds were given, I just have not signed off for them yet." On at 11:03am Staff A was observed documenting on the MORs for the 8:00am medication. Class III	{A 052}
