This Statute or Rule is not met as evidenced by: Based on observation and interview, the facility failed to establish written policies and procedures and training for visitation related to COVID 19 as required for family member, friends, compassionate visitors, and any essential Hospice staff before entering. Findings: On at 1 PM, requested from the Owner and Registered Nurse (RN) to review the written visitation policies and procedures for the facility. The owner answered that she requires all visitors to wear mask, get temperature check and sign in but that was because she had no residents or staff that had COVID 19. She verified she did not have an actual written COVID 19 visitation policy and procedures. It was explained to the administrator that it is required by the Florida Governor's emergency order. She understood and agreed. On at 1:30 PM, an interview with Owner and Registered Nurse (RN) confirmed the findings. Class III	A1300
