CZ830 SS=F	408.821 FS Emergency Management Planning 408.821 Emergency management planning; emergency operations; inactive license.- (1) A licensee required by authorizing statutes and agency rule to have a comprehensive emergency management plan must designate a safety liaison to serve as the primary contact for emergency operations. Such licensee shall submit its comprehensive emergency management plan to the local emergency management agency, county health department, or Department of Health as follows: (a) Submit the plan within 30 days after initial licensure and change of ownership, and notify the agency within 30 days after submission of the plan. (b) Submit the plan annually and within 30 days after any significant modification, as defined by agency rule, to a previously approved plan. (c) Submit necessary plan revisions within 30 days after notification that plan revisions are required. (d) Notify the agency within 30 days after approval of its plan by the local emergency management agency, county health department, or Department of Health. (2) An entity subject to this part may temporarily exceed its licensed capacity to act as a receiving provider in accordance with an approved comprehensive emergency management plan for up to 15 days. While in an overcapacity status, each provider must furnish or arrange for appropriate care and services to all clients. In addition, the agency may approve requests for overcapacity in excess of 15 days, which approvals may be based upon satisfactory justification and need as provided by the receiving and sending providers. (3)(a) An inactive license may be issued to a licensee subject to this section when the provider	CZ830

CZ830	Continued From page 1 is located in a geographic area in which a state of emergency was declared by the Governor if the provider: 1. Suffered damage to its operation during the state of emergency. 2. Is currently licensed. 3. Does not have a provisional license. 4. Will be temporarily unable to provide services but is reasonably expected to resume services within 12 months. (b) An inactive license may be issued for a period not to exceed 12 months but may be renewed by the agency for up to 12 additional months upon demonstration to the agency of progress toward reopening. A request by a licensee for an inactive license or to extend the previously approved inactive period must be submitted in writing to the agency, accompanied by written justification for the inactive license, which states the beginning and ending dates of inactivity and includes a plan for the transfer of any clients to other providers and appropriate licensure fees. Upon agency approval, the licensee shall notify clients of any necessary discharge or transfer as required by authorizing statutes or applicable rules. The beginning of the inactive licensure period shall be the date the provider ceases operations. The end of the inactive period shall become the license expiration date, and all licensure fees must be current, must be paid in full, and may be prorated. Reactivation of an inactive license requires the prior approval by the agency of a renewal application, including payment of licensure fees and agency inspections indicating compliance with all requirements of this part and applicable rules and statutes. (4) The agency may adopt rules relating to emergency management planning, communications, and operations. Licensees	CZ830

CZ830	Continued From page 2 providing residential or inpatient services must utilize an online database approved by the agency to report information to the agency regarding the provider's emergency status, planning, or operations. This Statute or Rule is not met as evidenced by: Based on an interview with the Interim Administrator and a review of the Agency for Health Care Administration Emergency Status System (ESS), the facility failed to report the following information using the online database (ESS): facility census and available beds, for Novel Coronavirus (COVID-19) daily by 10:00 AM, pursuant to Executive Order 20-51, and at the direction of the State Surgeon General, for 11 of the last 42 days reviewed. The findings include: During an interview with the Interim Administrator on at 9:40 AM, she was asked if the Emergency Status System (ESS) has been updated each day by 10:00 AM. She responded, "I started on Monday () and don't have access to the system." A review of the ESS Date Submission History with the Interim Administrator revealed the most recent update was made on at 7:23 AM. A review of the ESS Date Submission History from to was conducted with the Administrator which revealed no submissions for through . In addition, no submission was identified for (photographic evidence obtained) Pursuant to the Governor's Executive Order 20-51, and at the direction of the State Surgeon	CZ830

CZ830	Continued From page 3 General regarding Novel Coronavirus (COVID-19), the Agency for Health Care Administration opened the event "COVID-19 Monitoring" in the Emergency Status System to monitor assisted living facilities census, inventory, needs and other related information statewide. All assisted living facilities were required to report current resident census and available beds in their facilities by 10:00 AM and answer additional questions related to the facility status and COVID-19. Notification to facilities was dated Class III	CZ830
