The right of inspection extends to any business that the agency has reason to believe is being operated as a provider without a license, but inspection of any business suspected of being operated without the appropriate license may not be made without the permission of the owner or person in charge unless a warrant is first obtained from a circuit court. Any application for a license issued under this part, authorizing statutes, or applicable rules constitutes permission for an appropriate inspection to verify the information submitted on or in connection with the application. (a) All inspections shall be unannounced, except as specified in s. 408.806. (b) Inspections for relicensure shall be conducted biennially unless otherwise specified by this section, authorizing statutes, or applicable rules. (c) The agency may exempt a low-risk provider from a licensure inspection if the provider or a controlling interest has an excellent regulatory history with regard to deficiencies, sanctions, complaints, or other regulatory actions as defined in agency rule. The agency must conduct unannounced licensure inspections on at least 10	CZ824

CZ824	Continued From page 1 percent of the exempt low-risk providers to verify regulatory compliance. (d) The agency may adopt rules to waive any inspection, including a relicensure inspection, or grant an extended time period between relicensure inspections based upon: 1. An excellent regulatory history with regard to deficiencies, sanctions, complaints, or other regulatory measures. 2. Outcome measures that demonstrate quality performance. 3. Successful participation in a recognized, quality program. 4. Accreditation status. 5. Other measures reflective of quality and safety. 6. The length of time between inspections. The agency shall continue to conduct unannounced licensure inspections on at least 10 percent of providers that qualify for an exemption or extended period between relicensure inspections. The agency may conduct an inspection of any provider at any time to verify regulatory compliance. (2) Inspections conducted in conjunction with certification, comparable licensure requirements, or a recognized or approved accreditation organization may be accepted in lieu of a complete licensure inspection. However, a licensure inspection may also be conducted to review any licensure requirements that are not also requirements for certification. (3) The agency shall have access to and the licensee shall provide, or if requested send, copies of all provider records required during an inspection or other review at no cost to the agency, including records requested during an offsite review.
