A1300	Continued From page 18 The Agency for Health Care Administration (AHCA) has issued guidance and clarification on DEM Order 20-006 to providers, and on 02/09/2021 issued an alert notifying nursing homes that all staff or other individuals admitted to a residential facility must don PPE masks and that caregivers must wear gloves when providing resident care. While the treatment and management of residents with and the implementation of isolation precautions for such events are a long-standing health care issues faced by residential facilities, the ease of contagion and the effects of COVID-19 presented by COVID-19 mandate that providers exert meticulous practice and procedure to identify resident symptoms and take immediate isolation procedures to both assure appropriate treatment of a potentially infected resident and protect the remainder of a facility's population from the risk of spread of the virus. Observations made on 02/09/2021 at 9:30 a.m. revealed caregiver A was in the facility providing resident assistance. On 02/09/2021 at 2:05 p.m. a request was made to review documentation of Covid screenings conducted on the staff. The owner said only the staff's temperature was checked and no other screening was done. In addition, review of visitor screenings revealed that resident #2 had a general visitor on 02/09/2021 and #1 had one on 02/09/2021. A request was made to review each visitor's signed acknowledgement form noting receipt and understanding of the facility's visitation and PPE prevention and control policies however, the owner said neither visitor signed one and she could not provide	A1300
