All residents assessed at risk for elopement or with any history of elopement must be identified so staff can be alerted to their needs for support and supervision. All residents must be assessed for risk of elopement by a health care provider or a mental health care provider within 30 calendar days of being admitted to a facility. If the resident has had a health assessment performed prior to admission pursuant to paragraph 59A-36.006(2) (a), F.A.C., this requirement is satisfied. A resident placed in a facility on a temporary emergency basis by the Department of Children and Families pursuant to section 415.105 or 415.1051, F.S., is exempt from this requirement for up to 30 days. 1. As part of its resident elopement response policies and procedures, the facility must make, at a minimum, a daily effort to determine that at risk residents have identification on their persons that includes their name and the facility's name, address, and telephone number. Staff trained pursuant to paragraph 59A-36.011(10)(a) or (c), F.A.C., must be generally aware of the location of all residents assessed at high risk for elopement at all times. 2. The facility must have a photo identification of at risk residents on file that is accessible to all facility staff and law enforcement as necessary.	A 032

On at approximately 12:10 PM, a visitor for Resident #9 was observed to enter the facility. The visitor was not observed to be assessed or screened by any staff member for signs and symptoms of COVID-19 upon entry, and no visitor sign-in log was observed to be available for the visitor to sign in. On at approximately 3:00 PM, during a interview with the Administrator, she stated they were previously conducting visitor screening upon entrance, however she was unable to recall when the screening stopped. No further explanation was forthcoming. Class III	A1300
