A 052	Continued From page 3 which appears to have been contaminated, must not be returned to the container. (d) Trained staff must observe the resident take the medication. Any concerns about the resident's reaction to the medication or suspected noncompliance must be reported to the resident's health care provider and documented in the resident's record. (e) When a resident who receives assistance with medication is away from the facility and from facility staff, the following options are available to enable the resident to take medication as prescribed: 1. The health care provider may prescribe a medication schedule that coincides with the resident's presence in the facility, 2. The medication container may be given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record, 3. The medication may be transferred to a pill organizer pursuant to the requirements of subsection (2), and given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record, or 4. Medications may be separately prescribed and dispensed in an easier to use form, such as unit dose packaging. (f) Assistance with self-administration of medication does not include the activities detailed in section 429.256(4), F.S. 1. As used in section 429.256(4)(g), F.S., the term "competent resident" means that the resident is cognizant of when a medication is required and understands the purpose for taking the medication. 2. As used in section 429.256(4)(h), F.S., the terms "judgment" and "discretion" mean	A 052

A 052	Continued From page 4 interpreting vital signs and evaluating or assessing a resident's condition. (g) All trained staff must adhere to the facility's control policy and procedures when assisting with the self-administration of medication. This Statute or Rule is not met as evidenced by: Based on observation and interview the facility failed to assist with self-administration of medication appropriately by observing Residents #1 and #2 of two sampled, take the medication. Findings included: An observation conducted on ... at 9:50 AM two medication cups sitting on the kitchen table with pills in them. An observation of the administrator conducted on ... from 9:50AM to 10:05AM, the Administrator left the kitchen area and went into other rooms of the house, leaving the pills out of her line of vision. During an interview with the Administrator conducted on ... at 10:05 am she states that the two med cups on the kitchen table are for Resident #1 and Resident #2. "I put the meds in the cup and tell them to take them. They don't want to take them right then and they leave them on the table." An interview with the Administrator conducted on ... at 1:08 PM she confirmed that the meds were left on the table and that she did not watch Resident #1 and #2 take their medications.	A 052

A 181 SS=D	Class III 59A-36.019(2) FAC Emergency Plan Approval (2) EMERGENCY PLAN APPROVAL. The plan must be submitted for review and approval to the local emergency management agency. (a) If the local emergency management agency requires revisions to the emergency management plan, such revisions must be made and the plan resubmitted to the local office within 30 days of receiving notification that the plan must be revised. (b) A new facility as described in Rule 59A-36.014, F.A.C., and facilities whose ownership has been transferred, must submit an emergency management plan within 30 days after obtaining a license. (c) The facility must review its emergency management plan on an annual basis. Any substantive changes must be submitted to the local emergency agency for review and approval. 1. Changes in the name, address, telephone number, or position of staff listed in the plan are not considered substantive revisions for the purposes of this rule. 2. Changes in the identification of specific staff must be submitted to the local emergency management agency annually as a signed and dated addendum that is not subject to review and approval. (d) The local emergency management agency is the final administrative authority for emergency management plans prepared by assisted living facilities. (e) Any plan approved by the local emergency management agency is considered to have met all the criteria and conditions established in this	A 181
