A 025	Continued From page 1 resident diets in accordance with rule 59A-36.012, F.A.C. (b) Daily observation by designated staff of the activities of the resident while on the premises, and awareness of the general health, safety, and physical and emotional well-being of the resident. (c) Maintaining a general awareness of the resident's whereabouts. The resident may travel independently in the community. (d) Contacting the resident's health care provider and other appropriate party such as the resident's family, guardian, health care surrogate, or case manager if the resident exhibits a significant change. (e) Contacting the resident's family, guardian, health care surrogate, or case manager if the resident is discharged or moves out. (f) Maintaining a written record, updated as needed, of any significant changes, any illnesses that resulted in medical attention, changes in the method of medication administration, or other changes that resulted in the provision of additional services. This Statute or Rule is not met as evidenced by: Based on record reviews and interview, the facility failed to follow a health care provider's (HCP) medication order for 1 of 2 sampled residents (#8). Findings: Review of resident #8's 1823 health assessment form that was dated revealed the resident had a diagnosis of and required assistance with self-administration of medications. In addition, the form contained a HCP's order for 2% solution, install one drop into both twice daily.	A 025

(n) For hospice patients, the interdisciplinary care plan and other documentation that the resident is a hospice patient as required in rule 59A-36.006, F.A.C. (o) The resident's _____, DH Form 1896, if applicable. (p) For independent living residents who receive meals and occupy beds included within the licensed capacity of an assisted living facility, but who are not receiving any personal, limited nursing, or extended congregate care services, record keeping may be limited to the following at the discretion of the facility: 1. A log listing the names of residents participating in this arrangement, 2. The resident demographic data required in this paragraph, 3. The health assessment described in rule 59A-36.006, F.A.C., 4. The resident's contract described in rule 59A-36.018, F.A.C.; and, 5. A health care provider's order for a therapeutic diet if such diet is prescribed and the resident participates in the meal plan offered by the facility. (q) Except for resident contracts, which must be retained for 5 years, all resident records must be retained for 2 years following the departure of a resident from the facility unless it is required by contract to retain the records for a longer period of time. Upon request, residents must be provided with a copy of their records upon departure from the facility. (r) Additional resident records requirements for facilities holding a limited mental health, extended congregate care, or limited nursing services license are provided in rules 59A-36.020, 59A-36.021 and 59A-36.022, F.A.C., respectively. A 162	Continued From page 15 This Statute or Rule is not met as evidenced by: Based on record reviews and interview, the facility failed to ensure 1 of 2 sampled resident's record contained an informed consent for unlicensed staff to assist with self-administered medications (#8). Findings: At 9:15 a.m. on _____ the ALF coordinator said the facility used unlicensed staff to assist with self-administered medications. Review of resident #8's 1823 that was dated _____ revealed the resident required assistance with self-administration of medications. Continued review of the resident's residency agreement and record revealed neither one contained an informed consent for unlicensed staff to assist the resident with her medications. At 3:35 p.m. on _____ the ALF coordinator confirmed the findings and was unable to provide additional documentation. Class	A 162
