(3) The facility may not levy an additional charge for any supplies, services, or accommodations that the facility has agreed by contract to provide as part of the standard daily, weekly, or monthly rate. The resident or resident's representative must be furnished in advance with an itemized written statement setting forth additional charges for any services, supplies, or accommodations available to residents not covered under the contract. An addendum must be added to the resident contract to reflect the additional services, supplies, or accommodations not provided under the original agreement. Such addendum must be dated and signed by the facility and the resident or resident's legal representative and a copy given to the resident or resident's representative.	{A 167}

Each party to the contract shall be provided with a duplicate original thereof, and the licensee shall keep on file in the facility all such contracts. The licensee may not destroy or otherwise dispose of any such contract until 5 years after its expiration. (2) Each contract must contain express provisions specifically setting forth the services and accommodations to be provided by the facility; the rates or charges; provision for at least 30 days' written notice of a rate increase; the rights, duties, and responsibilities of the residents, other than those specified in s. 429.28; and other matters that the parties deem appropriate. A new service or accommodation added to, or implemented in, a resident's contract for which the resident was not previously charged does not require a 30-day written notice of a rate increase. Whenever money is deposited or advanced by a resident in a contract as security for performance of the contract agreement or as advance rent for other than the next immediate rental period: (a) Such funds shall be deposited in a banking institution in this state that is located, if possible, in the same community in which the facility is located; shall be kept separate from the funds and property of the facility; may not be represented as part of the assets of the facility on financial statements; and shall be used, or otherwise expended, only for the account of the resident. {A 167}	Continued From page 18 (7) Notwithstanding the provisions of this section, facilities which consist of 60 or more apartments may require refund policies and termination notices in accordance with the provisions of part II of chapter 83, provided that the lease is terminated automatically without financial penalty in the event of a resident's or relocation due to hospitalization or to medical reasons which necessitate services or care beyond which the facility is licensed to provide. . . . The date of termination in such instances shall be the date the unit is fully vacated. A lease may be substituted for the contract if it meets the disclosure requirements of this section. For the purpose of this section, the term "apartment" means a room or set of rooms with a kitchen or kitchenette and lavatory located within one or more buildings containing other similar or like residential units. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to have a signed contract for two out of five sampled residents (Resident #1,#2,#4,#5 and #6). Findings Included: A review of Resident#1,#2,#5, and #6's file showed the resident had contract on file however the contract was incomplete. The contract on file was not signed by the resident or resident's guardian. A review of Resident#4's file showed the resident's contract was signed and dated on by the resident's Power Of Attorney (POA). POA was not on file.	{A 167}
