A 079	Continued From page 1 serving as paid or volunteer staff may not be left solely in charge of other residents while the facility administrator, manager or other staff are absent from the facility. 4. In facilities with 17 or more residents, there must be at least one staff member awake at all hours of the day and night. 5. A staff member who has completed courses in First Aid and _____ () and holds a currently valid card documenting completion of such courses must be in the facility at all times. a. Documentation of attendance at First Aid or courses pursuant to subsection 59A-36.011(5), F.A.C., satisfies this requirement. b. A nurse is considered as having met the course requirements for First Aid. An emergency medical technician or paramedic currently certified under chapter 401, part III, F.S., is considered as having met the course requirements for both First Aid and _____. 6. During periods of temporary absence of the administrator or manager of more than 48 hours when residents are on the premises, a staff member who is at least _____ must be physically present and designated in writing to be in charge of the facility. No staff member shall be in charge of a facility for a consecutive period of 21 days or more, or for a total of 60 days within a calendar year, without being an administrator or manager. 7. Staff whose duties are exclusively building or grounds maintenance, clerical, or food preparation do not count towards meeting the minimum staffing hours requirement. 8. The administrator or manager's time may be counted for the purpose of meeting the required staffing hours, provided the administrator or manager is actively involved in the day-to-day	A 079

A 079	Continued From page 2 operation of the facility, including making decisions and providing supervision for all aspects of resident care, and is listed on the facility's staffing schedule. 9. Only on-the-job staff may be counted in meeting the minimum staffing hours. Vacant positions or absent staff may not be counted. (b) Notwithstanding the minimum staffing requirements specified in paragraph (a), all facilities, including those composed of apartments, must have enough qualified staff to provide resident supervision, and to provide or arrange for resident services in accordance with the residents' scheduled and unscheduled service needs, resident contracts, and resident care standards as described in rule 59A-36.007, F.A.C. (c) The facility must maintain a written work schedule that reflects its 24-hour staffing pattern for a given time period. Upon request, the facility must make the daily work schedules of direct care staff available to residents or their representatives. (d) The facility must provide staff immediately when the agency determines that the requirements of paragraph (a) are not met. The facility must immediately increase staff above the minimum levels established in paragraph (a), if the agency determines that adequate supervision and care are not being provided to residents, resident care standards described in rule 59A-36.007, F.A.C., are not being met, or that the facility is failing to meet the terms of residents' contracts. The agency will consult with the facility administrator and residents regarding any determination that additional staff is required. Based on the recommendations of the local fire safety authority, the agency may require additional staff when the facility fails to meet the	A 079

A 079	Continued From page 3 fire safety standards described in rule chapter 69A-40, F.A.C., until such time as the local fire safety authority informs the agency that fire safety requirements are being met. 1. When additional staff is required above the minimum, the agency will require the submission of a corrective action plan within the time specified in the notification indicating how the increased staffing is to be achieved to meet resident service needs. The plan will be reviewed by the agency to determine if it sufficiently increases the staffing levels to meet resident needs. 2. When the facility can demonstrate to the agency that resident needs are being met, or that resident needs can be met without increased staffing, the agency may modify staffing requirements for the facility and the facility will no longer be required to maintain a plan with the agency. (e) Facilities that are co-located with a nursing home may use shared staffing provided that staff hours are only counted once for the purpose of meeting either assisted living facility or nursing home minimum staffing ratios. (f) Facilities holding a limited mental health, extended congregate care, or limited nursing services license must also comply with the staffing requirements of rules 59A-36.020, 59A-36.021 or 59A-36.022, F.A.C., respectively. This Statute or Rule is not met as evidenced by: Based on observation, record review and interview the facility failed to have an accurate staffing schedule. Findings as follow:	A 079
