A 000	Initial Comments An unannounced focused control and complaint survey for #2021003493 was conducted on at Bayshore Guest Home, an assisted living facility in Nokomis, Florida. Complaint #2021003493 was substantiated at A0081. The following is description of the deficiency.	A 000		
A 081 SS=D	429.52(1 & 7) FS; 59A-36.011() FAC Training - Staff In-Service 429.52(1) (1)Each new assisted living facility employee who has not previously completed core training must attend a preservice orientation provided by the facility before interacting with residents. The preservice orientation must be at least 2 hours in duration and cover topics that help the employee provide responsible care and respond to the needs of facility residents. Upon completion, the employee and the administrator of the facility must sign a statement that the employee completed the required preservice orientation. The facility must keep the signed statement in the employee's personnel record. (7) Facility staff shall participate in inservice training relevant to their job duties as specified by agency rule. Topics covered during the preservice orientation are not required to be repeated during inservice training. A single certificate of completion that covers all required inservice training topics may be issued to a participating staff member if the training is provided in a single training course. 59A-36.011	A 081

A 081	Continued From page 1 (2) STAFF PRESERVICE ORIENTATION. (a) Facilities must provide a preservice orientation of at least 2 hours to all new assisted living facility employees who have not previously completed core training as detailed in subsection (1). (b) New staff must complete the preservice orientation prior to interacting with residents. (c) Once complete, the employee and the facility administrator must sign a statement that the employee completed the preservice orientation which must be kept in the employee's personnel record. (d) In addition to topics that may be chosen by the facility administrator, the preservice orientation must cover: 1. Resident's rights; and, 2. The facility's license type and services offered by the facility. (3) STAFF IN-SERVICE TRAINING. Facility administrators or managers shall provide or arrange for the following in-service training to facility staff: (a) Staff who provide direct care to residents, other than nurses, certified nursing assistants, or home health aides trained in accordance with rule 59A-8.0095, F.A.C., must receive a minimum of 1 hour in-service training in control, including universal precautions and facility sanitation procedures, before providing personal care to residents. The facility must use its control policies and procedures when offering this training. Documentation of compliance with the staff training requirements of 29 CFR 1910.1030, relating to blood borne pathogens, may be used to meet this requirement. (b) Staff who provide direct care to residents must receive a minimum of 1 hour in-service	A 081

A 081	Continued From page 3 implementation of the elopement response policies and procedures. This Statute or Rule is not met as evidenced by: Based on record review and staff interview, the facility failed to ensure 2 (Staff A and B) of 3 staff, had the required /neglect/ training. The findings included: A review of Staff A and Staff B's personnel records showed they were hired on _____ and _____ respectively. Their job descriptions showed they provide direct care and services to the residents in the facility. There was no documentation that showed they had training in _____/neglect/. On _____ at 11:00 a.m., an interview was conducted with the Assistant Administrator. She said she thought these two staff had this training. She reviewed their personnel files and confirmed there was no documentation to show they both had this training. Class III	A 081
