Regular and therapeutic menus as served, with substitutions noted before or when the meal is served, must be kept on file in the facility for 6 months. (e) Therapeutic diets must be prepared and served as ordered by the health care provider. 1. Facilities that offer residents a variety of food choices through a select menu, buffet style dining, or family style dining are not required to document what is eaten unless a health care provider's order indicates that such monitoring is necessary. However, the food items that enable residents to comply with the therapeutic diet must be identified on the menus developed for use in the facility. 2. The facility must document a resident's refusal to comply with a therapeutic diet and provide notification to the resident's health care provider of such refusal. (f) For facilities serving three or more meals a day, no more than 14 hours must elapse between the end of an evening meal containing a protein food and the beginning of a morning meal. Intervals between meals must be evenly distributed throughout the day with not less than 2 hours nor more than 6 hours between the end of one meal and the beginning of the next. For residents without access to kitchen facilities, snacks must be offered at least once per day. Snacks are not considered to be meals for the purposes of the time between meals. (g) Food must be served attractively at safe and palatable temperatures. All residents must be encouraged to eat at tables in the dining areas. A supply of eating ware sufficient for all residents, including adaptive equipment if needed by any	A 093

The quantity must be based on the resident census and not on licensed capacity. The supply must consist of foods that can be stored safely without refrigeration. Water sufficient for drinking and food preparation must also be stored, or the facility must have a plan for obtaining water in an emergency, with the plan coordinated with and reviewed by the local disaster preparedness authority. This Statute or Rule is not met as evidenced by: Based on interview and observation the facility failed to provide a up to date menu certified by a licensed dietician. This has potential to affect all residents of the facility. The finding include On at 12:30pm during an observation of meal service of the facility, staff presented the facility's menu. The menu had an expiration date of Photographic evidence obtained. Staff A confirmed at that time that this was the menu the facility was using and no updated menus were presented by the end of the survey. CLASS III	A 093

CZ816	Continued From page 3 The findings include: A review of Staff A's employment record revealed her her date was . A review of Staff B's employment record revealed her hire date was . A review of Staff C's employment record revealed her hire date was . Further review of Staff A, Staff B and Staff C's employment records revealed that nobody had a signed and dated Background Screening Attestation form in their employment record. On at 12:35pm Staff A called the Administrator who stated that all of the documents were in their employment records. No evidence was presented by the end of the survey to show these three employees completed a Background Screening Attestation. Unclassified	CZ816
