This Statute or Rule is not met as evidenced by: Based on observations and interviews, the facility failed to ensure 1 of 1 unlicensed staff (A) who assisted 1 of 5 sampled residents with self-administration of medications followed the correct procedure (#4). Findings: Observations made during a medication pass for resident #4 at 11:54 a.m. on ... revealed unlicensed caregiver A sanitized her ... then she unlocked the medication cart. She removed a bin of medications then while standing at the cart, popped out two pills into a cup. She placed the medication packages ... into the cart then she locked it. She took only the cup of medications to the resident, identified the resident by name, told him she was giving his twelve o'clock pills then she handed the cup to the resident, who took the medications without help. She observed the resident take the medications then she returned to the cart and signed the medication record. Caregiver A did not take the medication packages to the resident and prepare the medications in the resident's presence, as required. She confirmed the finding immediately following the medication pass. Class III	A 052
