| A 055                                                      | Continued From page 1<br><br>been provided to the resident before admission as required in rule 59A-36.006, F.A.C.<br>(c) Centrally stored medications must be:<br>1. Kept in a locked cabinet; locked cart; or other locked storage receptacle, room, or area at all times;<br>2. Located in an area free of dampness and abnormal temperature, except that a medication requiring refrigeration must be kept refrigerated. Refrigerated medications must be secured by being kept in a locked container within the refrigerator, by keeping the refrigerator locked, or by keeping the area in which the refrigerator is located locked;<br>3. Accessible to staff responsible for filling pill-organizers, assisting with self-administration of medication, or administering medication. Such staff must have ready access to keys or codes to the medication storage areas at all times; and,<br>4. Kept separately from the medications of other residents and properly closed or sealed.<br>(d) Medication that has been discontinued but has not expired must be returned to the resident or the resident's representative, as appropriate, or may be centrally stored by the facility for future use by the resident at the resident's request. If centrally stored by the facility, the discontinued medication must be stored separately from medication in current use, and the area in which it is stored must be marked "discontinued medication." Such medication may be reused if prescribed by the resident's health care provider.<br>(e) When a resident's stay in the facility has ended, the administrator must return all medications to the resident, the resident's family, or the resident's guardian unless otherwise prohibited by law. If, after notification and waiting at least 15 days, the resident's medications are still at the facility, the medications are considered | A 055                                                                               |                                                                                                                          |                                                        |

The administrator or person designated by the administrator as responsible for the facility's food service and the day-to-day supervision of food service staff must obtain, annually, a minimum of 2 hours continuing education in topics pertinent to nutrition and food service in an assisted living facility. This requirement does not apply to administrators and designees who are exempt from training requirements under paragraph 59A-36.012(1)(b). A certified food manager, licensed dietician, registered dietary technician or health department sanitarian is qualified to train assisted living facility staff in nutrition and food service.</p> <p>This Statute or Rule is not met as evidenced by: Based on interview and record review the facility failed to ensure staff responsible for the facility's food service obtained 2 hours of continuing education related to nutrition and food annually for one out of three sampled staff (Staff C).</p> <p>Findings included:</p> <p>On . . . . . at 1:58 PM, Staff C stated that she was responsible for preparing resident meals in the facility.</p> <p>Review of Staff C personnel record found no documentation that staff obtained annually, 2 hours training on Nutrition and Food Service.</p> <p>On . . . . . at 3:35 PM, the Administrator acknowledged that Staff C had not receive the updated training.</p> <p>Class III</p> | A 085                                                                          |                                                                                                                          |                          |                                                        |
