AL243	Continued From page 13 status or condition that may affect other services received or may require intervention; and, () Crisis services and the procedures. 3. For administrators and managers, the continuing education requirement under this subsection will satisfy 3 of the 12 hours of continuing education required biennially pursuant to section 429.52(5), F.S., and subsection (1) of this rule. 4. Administrators, managers and direct contact staff affected by the continuing education requirement under this subsection shall have up to 6 months after the effective date of this rule to meet the training requirement. (b) Administrators, managers and staff do not have to repeat the initial training should they change employers provided they present a copy of their training certificate to the current employer for retention in the facility's personnel files. They must also ensure that copies of the continuing education training certificates, pursuant to subparagraph (a)2. of this subsection, are retained in their personnel files. This Statute or Rule is not met as evidenced by: Based on record review and interview the facility failed to provide evidence that one out of four staff (Staff D) completed a minimum of 6 hours of specialized training in working with individuals with mental health diagnoses. Findings included: A review of the facility license revealed that it had a limited mental health component license. A review of the personnel records revealed that Staff D had been hired on .
