(a) The facility must have policies and procedures that include the requirements and methods for assessing the physical condition of assistive devices that may injure the resident and procedures for recommending repair or replacement for the continuing safety of a resident's assistive device. (b) Documentation of each assistive device a resident uses must be included in the resident's record. (c) Direct care staff using assistive devices while rendering personal services to residents must know how to operate and utilize the equipment. (d) All assistive devices must be clean, in good repair, and free of hazards. (e) The facility must encourage and allow the resident to function with independence when using the assistive device. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility did not have an Assistive Devices policy. Finding include: A review of facility records showed that the facility did not have a Assistive Devices policy. In an interview on _____ at 12:15 PM, the Administrator stated that he did not know about this policy. Class III	A 034

(a) In order to accommodate the needs and preferences of residents and to encourage residents to remain as independent as possible, residents may keep their medications, both prescription and over-the-counter, in their possession both on or off the facility premises. Residents may also store their medication in their rooms or apartments if either the room is kept locked when residents are absent or the medication is stored in a secure place that is out of sight of other residents. (b) Both prescription and over-the-counter medications for residents must be centrally stored if: 1. The facility administers the medication; 2. The resident requests central storage. The facility must maintain a list of all medications being stored pursuant to such a request; 3. The medication is determined and documented by the health care provider to be hazardous if kept in the personal possession of the person for whom it is prescribed; 4. The resident fails to maintain the medication in a safe manner as described in this paragraph; 5. The facility determines that, because of physical arrangements and the conditions or habits of residents, the personal possession of medication by a resident poses a safety hazard to other residents, or 6. The facility's rules and regulations require central storage of medication and that policy has been provided to the resident before admission as required in Rule 59A-36.006, F.A.C.
