A 000	Initial Comments A Standard Biennial Survey was conducted at Ada Residences, Inc on 09/24/2021. Deficiencies were identified at time of the survey.	A 000		
A 031 SS=D	59A-36.007(6) FAC Resident Care - Third Party Services (6) THIRD PARTY SERVICES. (a) Nothing in this rule chapter is intended to prohibit a resident or the resident's representative from independently arranging, _____, and paying for services provided by a third party of the resident's choice, including a licensed home health agency or private nurse, or receiving services through an out-patient clinic, provided the resident meets the criteria for admission and continued residency and the resident complies with the facility's policy relating to the delivery of services in the facility by third parties. The facility's policies must require the third party to coordinate with the facility regarding the resident's condition and the services being provided. (b) When residents require or arrange for services from a third party provider, the facility administrator or designee must allow for the receipt of those services, provided that the resident meets the criteria for admission and continued residency. The facility, when requested by residents or representatives, must coordinate with the provider to facilitate the receipt of care and services provided to meet the _____ resident's needs. (c) The administrator or designee must ensure that: 1. Care coordination includes documented communications about the resident's condition and response to treatment or services ordered by the physician which may impact the resident's	A 031

A 031	Continued From page 1 appropriateness for continued residency in the facility; 2. Communications occur at least once every 30 days and whenever there is a significant change in the resident's condition; and 3. If physician ordered treatments or services occur less often than once a month, communications must be conducted according to the ordered treatment or service schedule and whenever there is a significant change in the resident's condition. 4. When communication with the third party provider is unsuccessful, at least two attempts at communication on two separate days must be documented. Documentation must include the name of the person from the third party provider with whom contact was attempted, the method of communication, and the date and time of the attempts. This documentation must be included in the resident's record in accordance with the timeframes in subparagraphs 59A-36.007(6)(c)2. and 3. (d) If residents accept assistance from the facility in arranging and coordinating third party services, the facility's assistance does not represent a guarantee that third party services will be received. If the facility's efforts to make arrangements for third party services are unsuccessful or declined by residents, the facility must include documentation in the residents' record explaining why its efforts were unsuccessful. This documentation will serve to demonstrate its compliance with this subsection. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure that hospice documentation was in the facility for services provided to one out of four sampled residents (Resident #1). A 055	Continued From page 3 of sight of other residents. (b) Both prescription and over-the-counter medications for residents must be centrally stored if: 1. The facility administers the medication; 2. The resident requests central storage. The facility must maintain a list of all medications being stored pursuant to such a request; 3. The medication is determined and documented by the health care provider to be hazardous if kept in the personal possession of the person for whom it is prescribed; 4. The resident fails to maintain the medication in a safe manner as described in this paragraph; 5. The facility determines that, because of physical arrangements and the conditions or habits of residents, the personal possession of medication by a resident poses a safety hazard to other residents, or 6. The facility's rules and regulations require central storage of medication and that policy has been provided to the resident before admission as required in Rule 59A-36.006, F.A.C. (c) Centrally stored medications must be: 1. Kept in a locked cabinet; locked cart; or other locked storage receptacle, room, or area at all times; 2. Located in an area free of dampness and abnormal temperature, except that a medication requiring refrigeration must be kept refrigerated. Refrigerated medications must be secured by being kept in a locked container within the refrigerator, by keeping the refrigerator locked, or by keeping the area in which the refrigerator is located locked; 3. Accessible to staff responsible for filling pill-organizers, assisting with self-administration of medication, or administering medication. Such staff must have ready access to keys or codes to	A 055

A 055	Continued From page 4 the medication storage areas at all times; and, 4. Kept separately from the medications of other residents and properly closed or sealed. (d) Medication that has been discontinued but has not expired must be returned to the resident or the resident's representative, as appropriate, or may be centrally stored by the facility for future use by the resident at the resident's request. If centrally stored by the facility, the discontinued medication must be stored separately from medication in current use, and the area in which it is stored must be marked "discontinued medication." Such medication may be reused if prescribed by the resident's health care provider. (e) When a resident's stay in the facility has ended, the administrator must return all medications to the resident, the resident's family, or the resident's guardian unless otherwise prohibited by law. If, after notification and waiting at least 15 days, the resident's medications are still at the facility, the medications are considered abandoned and may be disposed of in accordance with paragraph (f). (f) Medications that have been abandoned or have expired must be disposed of within 30 days of being determined abandoned or expired and the disposal must be documented in the resident's record. The medication may be taken to a pharmacist for disposal or may be destroyed by the administrator or designee with one witness. (g) Facilities that hold a Special-ALF permit issued by the Board of Pharmacy may return dispensed medicinal drugs to the dispensing pharmacy pursuant to Rule 64B16-28.870, F.A.C. This Statute or Rule is not met as evidenced by: Based on observation and interview, the facility failed to keep medications locked at all times.	A 055
