A 025	Continued From page 3 Resident #2 had two resulting in serious injuries within 4 months apart and there was no documented evidence that the facility put any precaution intervention program in place after the 1st occurred on . On at 9:38 AM, an interview with family member who confirmed that for the 1st on that the facility documented they notified him, but it was the hospital nurse who notified him that his mother (#2) was at the hospital with a injury and very upset with the facility for not notifying him. Furthermore, he stated that his mother (#2) again on and this time his mother's right , was broken, and the facility failed to keep a close on her from the 1st . He said that this last was so bad and serious, it exacerbated his mother's health to decline that she can never go to the Assisted Living Facility community, she will be permanently in a Nursing Home. On at 11:56 AM, an interview with the caregiver staff D who helped resident #2 tried to get up from the in resident #11's bathroom on . Staff D said that she knew that resident #2 had a broken or because once she stabilized resident #2 on the bed, staff D observed resident #2 right was up higher than the left and she confirmed it was a injury. Staff D called 911 and resident #2 transported to the hospital. On at 1:30 PM, an interview with the Director of Nursing who confirmed that she was not working the two days resident #2 but she documented what her staff informed her. She stated that she requested to complete a prevention program for all risk residents to management but did not get an approval.	A 025

(d) A detailed description of the subject areas that must be included in an ADRD curriculum which meets the requirements of paragraphs (a) and (b) of this subsection, can be found in the document "Training Guidelines for the Special Care of Persons with 's and Related . . . . . ," dated . . . . . , incorporated by reference, available from the Department of Elder Affairs, 4040 Esplanade Way, Tallahassee, Florida 32399-7000. (e) Direct care staff shall participate in 4 hours of continuing education annually as required under section 429.178, F.S. Continuing education received under this paragraph may be used to meet 3 of the 12 hours of continuing education required by section 429.52, F.S., and subsection (1) of this rule, or 3 of the 6 hours of continuing education for extended congregate care required by subsection (7) of this rule. (f) Facility staff who have only incidental contact with residents with ADRD must receive general written information provided by the facility on interacting with such residents, as required under section 429.178, F.S., within three (3) months of employment. "Incidental contact" means all staff who neither provide direct care nor are in regular contact with such residents. (g) Persons who seek to provide ADRD training in accordance with this subsection must provide the department or its designee with documentation that they hold a Bachelor's degree from an accredited college or university or hold a license as a registered nurse, and: 1. Have 1 year teaching experience as an educator of caregivers for persons with or related , or 2. Three years of practical experience in a	A 086
