| A 000                    | Initial Comments<br><br>A 6-month survey including Limited Nursing Services monitoring, control and generator monitoring were conducted at Serenades by -West Orange Assisted Living Facility on . Deficiencies were identified at the time of survey.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | A 000               |                                                                                                                          |                          |
| A 010<br>SS=D            | 429.26( ) FS; 59A-36.006(4) FAC Admissions - Continued Residency<br><br>429.26 Appropriateness of placements; examinations of residents.-<br>(1) The owner or administrator of a facility is responsible for determining the appropriateness of admission of an individual to the facility and for determining the continued appropriateness of residence of an individual in the facility. A determination must be based upon an evaluation of the strengths, needs, and preferences of the resident, a medical examination, the care and services offered or arranged for by the facility in accordance with facility policy, and any limitations in law or rule related to admission criteria or continued residency for the type of license held by the facility under this part. The following criteria apply to the determination of appropriateness for admission and continued residency of an individual in a facility:<br>(a) A facility may admit or retain a resident who receives a health care service or treatment that is designed to be provided within a private residential setting if all requirements for providing that service or treatment are met by the facility or a third party.<br>(b) A facility may admit or retain a resident who requires the use of assistive devices.<br>(c) A facility may admit or retain an individual receiving hospice services if the arrangement is agreed to by the facility and the resident, | A 010               |                                                                                                                          |                          |

| A 010                    | <p>Continued From page 4</p> <p>holding an extended congregate care license are described in Rule 59A-36.021, F.A.C.</p> <p>This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility did not ensure the coordination of care between the assisted living facility (ALF) and the licensed hospice agency and did not develop and implement an individualized interdisciplinary care plan to ensure the personal needs could be met on a daily basis for 1 of 1 sampled hospice residents (#12).</p> <p>Findings:</p> <p>On _____ at 9:30 AM, the administrator said Resident #12 received hospice services.</p> <p>Record review revealed the resident was admitted into hospice services on _____.</p> <p>The hospice care plan that was in the record did not include the responsibilities of the hospice agency and the facility. The section that listed who was responsible for the personal care needs were all left blank. There was no documentation to confirm that the facility and the hospice agency had discussed the resident's care needs. The space for the facility's representative to sign that would have been confirmation that the hospice agency had reviewed the individualized interdisciplinary care plan with the facility to ensure the needs of the resident could be met was left blank.</p> <p>On _____ at 3 PM, The facility's corporate nurse reviewed the care plan and confirmed the findings.</p> <p>Class III</p> | A 010               |                                                                                                                          |                          |

| A 093                                                                | <p>Continued From page 8</p> <p>%20Material/5DRI%20Values%20SummaryTable<br/>s%2014.pdf. Therapeutic diets must meet these<br/>nutritional standards to the extent possible.<br/>(b) The residents' nutritional needs must be met<br/>by offering a variety of meals adapted to the food<br/>habits, preferences, and physical abilities of the<br/>residents, and must be prepared through the use<br/>of standardized recipes. For facilities with a<br/>licensed capacity of 16 or fewer residents,<br/>standardized recipes are not required. Unless a<br/>resident chooses to eat less, the facility must<br/>serve the standard minimum portions of food<br/>according to the Dietary Reference Intakes.<br/>(c) All regular and therapeutic menus to be used<br/>by the facility must be reviewed annually by a<br/>licensed or registered dietitian, a licensed<br/>nutritionist, or a registered dietetic technician<br/>supervised by a licensed or registered dietitian, or<br/>a licensed nutritionist to ensure the meals meet<br/>the nutritional standards established in this rule.<br/>The annual review must be documented in the<br/>facility files and include the original signature of<br/>the reviewer, registration or license number, and<br/>date reviewed. Portion sizes must be indicated on<br/>the menus or on a separate sheet.</p> <p>1. Daily food servings may be divided among<br/>three or more meals per day, including snacks,<br/>as necessary to accommodate resident needs<br/>and preferences.</p> <p>2. Menu items may be substituted with items of<br/>comparable nutritional value based on the<br/>seasonal availability of fresh produce or the<br/>preferences of the residents.</p> <p>(d) Menus must be dated and planned at least 1<br/>week in advance for both regular and therapeutic<br/>diets. Residents must be encouraged to<br/>participate in menu planning. Planned menus<br/>must be conspicuously posted or easily available<br/>to residents. Facilities that offer residents a variety of food choices through a select menu, buffet style dining, or family style dining are not required to document what is eaten unless a health care provider's order indicates that such monitoring is necessary. However, the food items that enable residents to comply with the therapeutic diet must be identified on the menus developed for use in the facility.</p> <p>2. The facility must document a resident's refusal to comply with a therapeutic diet and provide notification to the resident's health care provider of such refusal.</p> <p>(f) For facilities serving three or more meals a day, no more than 14 hours must elapse between the end of an evening meal containing a protein food and the beginning of a morning meal. Intervals between meals must be evenly distributed throughout the day with not less than 2 hours nor more than 6 hours between the end of one meal and the beginning of the next. For residents without access to kitchen facilities, snacks must be offered at least once per day. Snacks are not considered to be meals for the purposes of the time between meals.</p> <p>(g) Food must be served attractively at safe and palatable temperatures. All residents must be encouraged to eat at tables in the dining areas. A supply of eating ware sufficient for all residents, including adaptive equipment if needed by any resident, must be on hand.</p> <p>(h) A 3-day supply of nonperishable food, based on the number of weekly meals the facility has with residents to serve, must be on</p> | A 093                                                                                      |                                                                                                                          |                                                        |
