A determination must be based upon an evaluation of the strengths, needs, and preferences of the resident, a medical examination, the care and services offered or arranged for by the facility in accordance with facility policy, and any limitations in law or rule related to admission criteria or continued residency for the type of license held by the facility under this part. The following criteria apply to the determination of appropriateness for admission and continued residency of an individual in a facility: (a) A facility may admit or retain a resident who receives a health care service or treatment that is designed to be provided within a private residential setting if all requirements for providing that service or treatment are met by the facility or a third party. (b) A facility may admit or retain a resident who requires the use of assistive devices. (c) A facility may admit or retain an individual receiving hospice services if the arrangement is agreed to by the facility and the resident, additional care is provided by a licensed hospice, and the resident is under the care of a physician who agrees that the physical needs of the		A 010

The resident must have a plan of care which delineates how the facility and the hospice will meet the scheduled and unscheduled needs of the resident, including, if applicable, staffing for nursing care. (d)1. Except for a resident who is receiving hospice services as provided in paragraph (c), a facility may not admit or retain a resident who is bedridden or who requires 24-hour nursing supervision. For purposes of this paragraph, the term "bedridden" means that a resident is confined to a bed because of the inability to: a. Move, turn, or reposition without total physical assistance; b. Transfer to a chair or wheelchair without total physical assistance; or c. Sit safely in a chair or wheelchair without personal assistance or a physical _____. 2. A resident may continue to reside in a facility if, during residency, he or she is bedridden for no more than 7 consecutive days. 3. If a facility is licensed to provide extended congregate care, a resident may continue to reside in a facility if, during residency, he or she is bedridden for no more than 14 consecutive days. (2) A resident may not be moved from one facility to another without consultation with and agreement from the resident or, if applicable, the resident's representative or designee or the resident's family, guardian, surrogate, or attorney in fact. In the case of a resident who has been placed by the department or the Department of Children and Families, the administrator must notify the appropriate contact person in the applicable department. Except as follows in paragraphs (a) through (c) of this subsection, criteria for continued residency in any licensed facility must be the same as the criteria for admission. As part of the continued residency criteria, a resident must have a -to- medical examination by a health care practitioner at least every 3 years after the initial assessment, or after a significant change, whichever comes first. A significant change is defined in Rule 59A-36.002, F.A.C. The results of the examination must be recorded on the practitioner's form or on AHCA Form 1823, which is incorporated by reference in paragraph (2)(b) of this rule and must be completed in accordance with that paragraph. Exceptions to the requirement to meet the criteria for continued residency are: (a) The resident may be bedridden for no more than 7 consecutive days, unless the resident is receiving licensed hospice services pursuant to Section 429.26(1)(c), F.S. (b) A resident requiring care of a _____ may be retained provided that: 1. The resident contracts directly with a licensed home health agency or a nurse to provide care, or the facility has a limited nursing services license and services are provided pursuant to a plan of care issued by a health care practitioner, 2. The condition is documented in the resident's record; and, 3. If the resident's condition fails to improve within 30 days, as documented by a health care	A 010

(c) A . . . , ill resident who no longer meets the criteria for continued residency may continue to reside in the facility if the following conditions are met: 1. The resident qualifies for, is admitted to, and consents to receive services from a licensed hospice that coordinates and ensures the provision of any additional care and services that the resident may need; 2. Both the resident, or the resident's legal representative if applicable, and the facility agree to continued residency; 3. A licensed hospice, in consultation with the facility, develops and implements an interdisciplinary care plan that specifies the services being provided by hospice and those being provided by the facility; and, 4. Documentation of the requirements of this paragraph is maintained in the resident's file. (d) The facility administrator is responsible for monitoring the continued appropriateness of placement of a resident in the facility at all times. (e) A hospice resident that meets the qualifications of continued residency pursuant to this subsection may only receive services from the assisted living facility's staff which are within the scope of the facility's license. (f) Assisted living facility staff may provide any nursing service permitted under the facility's license and total help with the activities of daily living for residents admitted to hospice; however, staff may not exceed the scope of their professional licensure or training. A 010	Continued From page 4 Based on observation, record review, and interview, the facility failed to ensure the appropriateness of continued residency for one out of three sampled residents (Resident #1). The resident, who was not under hospice care, could not walk or assist in her own transfer. Findings Included: On _____ at 1:35 pm, observed one staff (Staff B) working with three residents. Resident#1 was observed lying in bed and reading a book behind half bed rails. A review of Resident#1's record showed the resident was admitted to the facility on _____. Her health assessment dated _____ showed the resident had a medical history of _____. It also showed the resident required assistance with all activities of daily living except eating. The resident's health assessment stated the resident was bed bound. Further review of Resident #1's record showed no documentation that the resident was receiving hospice services. In an interview with the Administrator on _____ at 2:15 pm, the Administrator stated Resident #1 was bed bound and in respite care. She stated the resident was only living at the facility for a few weeks. Class II A 160 SS=D 59A-36.015(1) FAC Records - Facility	A 010
