Licensees providing residential or inpatient services must utilize an online database approved by the agency to report information to the agency regarding the provider's emergency status, planning, or operations. This Statute or Rule is not met as evidenced by: Based on record review and interview the facility failed to submit their comprehensive emergency management plan (CEMP) to the local emergency management agency for review and approval. The findings include: A review was conducted of a letter from the Leon County emergency management agency for 2019, which indicated that the plan was being reviewed. Further review of the records failed to reveal documentation that the plan had been approved or submitted since 2019. On at approximately 3:00 PM, an interview was conducted with the Administrator who reported that she had submitted the facility's comprehensive emergency management plan but had not heard anything from the agency whether it was approved or not. The Administrator could not produce any documentation that she had submitted the CEMP to the local county emergency management agency. Class III	CZ830
